| <b>SmartBUY ESA Quotes for 10K, 33K, and<br/>100K Users</b> |
|---|

*(Provide three quotes of products and services necessary for successful Enterprise implementation and maintenance of organizations for 10,000, 33,000 or 100,000 users, including spot discounts and/or other concessions beyond those in your SmartBUY ESA Product and Price List. All products/services must track to your GSA Schedule(s) and prices, including spot discounts (and any items offered at no additional cost), and citing all concessions in policies, terms and conditions. Include all assumptions.)*

**ISC Response:**

ISC will provide enterprise wide pricing for a bundled package of SecretAgent, SecretAgent Mobile, SpyProof!, PolicyAgent, and our Key Recovery Utility at the following prices. Note that this offering includes all platforms supported including graphical user interfaces and command line versions, and as many copies of PolicyAgent and Key Recovery Utility needed at no extra cost. Pricing also includes the support hours listed for each quantity described. Additional support is available at standard rates.

Maintenance is provided for the first year of the agreement at no charge and 15% of purchase order value each year thereafter.

| <b>User Quantity</b> | <b>Price</b> | <b>Included Services</b>                                       |
