

## Altiris End User License Agreement

**This Altiris End User License Agreement (“EULA”) is a legal agreement between you and Altiris, Inc., a wholly owned subsidiary of Symantec Corporation, (“Altiris”) for the licensing of software products from Altiris.**

**BY INSTALLING, COPYING, OR OTHERWISE USING THE SOFTWARE (AS DEFINED BELOW), YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA. IF YOU DO NOT AGREE WITH THE TERMS OF THIS EULA, DO NOT INSTALL OR USE THE SOFTWARE. PROMPTLY RETURN THE SOFTWARE IN AN UNDAMAGED CONDITION TO YOUR SUPPLIER WITHIN 30 DAYS OF YOUR FIRST RECEIPT OF THE SOFTWARE, AND YOUR LICENSE FEE WILL BE REFUNDED.**

1. **SOFTWARE AND DOCUMENTATION.** “Software” means the computer programs accompanying or provided under this EULA, together with the associated media, corresponding Documentation, technical configurations, and technical data. “Documentation” means the end user manual and other documentation (including print and online), if any, provided to you with the Software.

2. **LICENSE GRANT.** Provided you comply with all terms and conditions of this EULA, Altiris grants you a non-exclusive, non-transferable license to use the Software in accordance with the License Type licensed to you. The Software is licensed solely for internal use within your organization; any other use, including for third parties or for commercial purposes, is expressly prohibited. A “Fulfillment Confirmation” in the form of a product or package label or a confirmation e-mail will be sent to you and will identify the Software licensed to you under this EULA and the License Type. This license is perpetual unless expressly stated otherwise in this EULA or in the Fulfillment Confirmation. Software designated as “for clients” may not be used on a Server. “Server” means a computing device whose primary function is to provide services to another computing device (e.g., domain services, printing services, email services, terminal services, application services, web hosting, etc.). With respect to your internal use of the Software as permitted above in this Section 2, you may permit third party consultants and contractors (such as your third-party supplier(s) of information services) (“authorized users”) to use the Software, provided that (i) all such use is in accordance with the terms and conditions of this EULA, and (2) you assume full responsibility and liability for any use of the Software by such third parties in excess of the licensed number of Nodes or Concurrent Users or otherwise in violation of this EULA.

3. **COPIES.** You may make copies of the Software provided that any such copy: (i) is created as an essential step in the utilization of the Software as licensed under this EULA, or (ii) is only for archival purposes to back-up the Software. All trademark, copyright, and proprietary rights notices must be faithfully reproduced and included by you on such copies. You may not make any other copies of the Software.

4. **OTHER RESTRICTIONS.** Altiris reserves all rights not expressly granted to you. Without limiting the generality of the foregoing, you shall not nor shall you permit any other party to: (i) disassemble, de-compile, reverse engineer, or translate any part of the Software, or otherwise attempt to reconstruct or discover the source of this Software, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation, or (ii) modify or create derivative works based upon the Software, or (iii) externally distribute, sublicense, resell, encumber, or otherwise transfer this Software, or (iv) rent, lease, lend, or use the Software for timesharing or bureau use, or (v) allow a third party to copy, access, or use the Software (except as expressly provided in Section 2 of this EULA), or (vi) disclose the results of any benchmark test of the Software to a third party without the prior written approval of Altiris, or (vii) take any actions that would cause the Software to become subject to any open source or quasi-open source license agreement.

5. **OWNERSHIP.** You acknowledge that all title and intellectual property in and to the Software (including all copies thereof) are owned by Altiris or its licensor(s), if any. The Software is protected by U.S. and international laws, including without limitation copyright and trademark law and international treaty provisions. The Software is licensed to you, not sold.

6. **COPYRIGHTS; TRADE SECRETS.** You acknowledge and agree that the structure, sequence, and organization of the Software (including but not limited to any technical configurations, technical data, images, photographs, animations, video, audio, music, and text) are proprietary to and are the valuable trade secrets of Altiris and its licensors. You agree to hold such trade secrets in confidence. Unless explicitly set forth in a written agreement executed between Altiris and you, you may not

remove from the Software or alter any of the trademarks, trade names, logos, patent or copyright notices or markings, or add any other notices or markings to the Software.

7. **EVALUATION LICENSE.** This Section applies to you if the Software is licensed to you for evaluation or demonstration purposes. You are permitted to use the Software for evaluation or demonstration purposes only. The Software may contain an automatic disabling mechanism. Your right to use the Software is limited in accordance with the terms under which you received the Software. If no period of use is specified, then your right to use the Software shall terminate thirty (30) days from receipt of the Software, at which time you must return or destroy the Software.

8. **ACTIVATION KEY.** The use of the Software may require an "activation key" from Altiris or its authorized reseller. The activation key may be a printable digital key, a non-printable file, or any other mechanism used by Altiris for license activation purposes. You agree that you will not attempt to "hack," "crack," or otherwise override this activation key.

9. **UPDATES.** Except as otherwise expressly provided herein, this EULA will govern any Software updates and upgrades that may be provided to you in accordance with Altiris' then-current maintenance and support policies (including Altiris' Annual Upgrade Protection program or "AUP" program), unless such updates and upgrades are provided under separate license agreement. You may use such updates or upgrades only in conjunction with your then-existing Software licensed under this EULA. The Software and all updates and upgrades are licensed as a single product and such updates and upgrades may not be separated from the Software to exceed the scope of your original license. Any other software that may be provided with the Software that is associated with a separate end-user license agreement is licensed to you under the terms of that separate license agreement.

10. **LIMITED WARRANTY.** If (a) the Software does not substantially conform to its specifications in the Documentation, the physical media accompanying the Software is defective, or if you are dissatisfied with the Software for any reason, and (b) if the Software (including all accompanying media, Documentation, packaging, and materials) is returned by you within thirty (30) days of first receipt, then your license fee for the Software will be refunded to you. Upon return, this EULA shall terminate and you must immediately cease all use of the Software and remove and erase or cause to be removed and erased all copies of any Software from all computers and storage media and devices within your possession or control or the possession or control of authorized users under Section 2 of this EULA. At Altiris' request, you will certify in writing to Altiris that you have complied with this Section. In the event that the Software is licensed to you for evaluation or demonstration purposes, there shall be no refund because such licenses are free. In the event you purchase a license to the Software during or after an evaluation license for such Software, then Altiris shall have no obligation to refund any license fees paid by you for the license to the Software (i.e., the 30 day evaluation period is your thirty day limited warranty period). THIS LIMITED WARRANTY SHALL NOT APPLY TO SOFTWARE UPDATES AND UPGRADES; ALL UPDATES AND UPGRADES ARE LICENSED "AS IS," WITHOUT WARRANTY OF ANY KIND.

11. **NO OTHER WARRANTIES.** EXCEPT AS EXPRESSLY WARRANTED ABOVE IN SECTION 10, THE SOFTWARE IS PROVIDED "AS IS," WITHOUT WARRANTY OR REPRESENTATION OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE. ANY EXPRESS WARRANTY MADE OUTSIDE OF THIS EULA IS EXCLUDED AND SUPERCEDED. NEITHER ALTIRIS NOR ITS LICENSORS REPRESENT OR WARRANT THAT THE SOFTWARE WILL SATISFY YOUR REQUIREMENTS OR THAT IT IS WITHOUT DEFECT OR ERROR OR THAT THE OPERATION THEREOF WILL BE UNINTERRUPTED OR ERROR FREE. Some jurisdictions do not allow certain disclaimers or limitations of warranties, so some of these may not apply to you.

12. **NON-ALTIRIS PRODUCTS.** ALTIRIS DOES NOT WARRANT NON-ALTIRIS PRODUCTS. ANY SUCH PRODUCTS ARE PROVIDED ON AN "AS-IS" BASIS. ANY WARRANTY SERVICE FOR NON-ALTIRIS PRODUCTS WILL BE PROVIDED BY THE PRODUCT MANUFACTURER IN ACCORDANCE WITH ANY APPLICABLE MANUFACTURER'S WARRANTY.

13. **EXCLUSION OF CERTAIN DAMAGES.** TO THE FULL EXTENT PERMITTED BY LAW, NEITHER ALTIRIS NOR ITS LICENSORS SHALL IN ANY CASE BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND, INCLUDING WITHOUT LIMITATION, LOSS OF PROFITS, REVENUE, BUSINESS, OR DATA, COSTS OF COVER, OR EQUIPMENT DOWNTIME ARISING FROM OR RELATING TO THIS EULA OR THE USE OR INABILITY TO USE THE SOFTWARE, REGARDLESS OF THE FORM OF ACTION AND EVEN IF ALTIRIS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THIS DISCLAIMER OF LIABILITY WILL NOT BE AFFECTED IF ANY REMEDY PROVIDED HEREIN FAILS OF ITS ESSENTIAL PURPOSE. Some jurisdictions do not allow certain exclusions or limitations of liability, so some of these may not apply to you.

14. **LIMITATION OF LIABILITY.** THE AGGREGATE LIABILITY OF ALTIRIS OR ITS LICENSORS ARISING FROM OR RELATING TO THIS EULA OR THE USE OR INABILITY TO USE THE SOFTWARE (REGARDLESS OF THE FORM OF ACTION OR CLAIM, WHETHER CONTRACT, WARRANTY, TORT AND/OR OTHERWISE) SHALL NOT EXCEED THE AMOUNT OF THE LICENSE FEES PAID BY YOU FOR THE SOFTWARE LICENSE GRANTED HEREUNDER.

15. **SOLE REMEDY AND ALLOCATION OF RISK.** YOUR SOLE AND EXCLUSIVE REMEDY AND ALTIRIS' SOLE AND EXCLUSIVE LIABILITY ARE SET FORTH IN THIS EULA. This EULA defines a mutually agreed-upon allocation of risk.

16. **NOTICE.** THE SOFTWARE IS NOT INTENDED OR LICENSED FOR USE IN ANY HAZARDOUS OR HIGH RISK ACTIVITY.

17. **NO SUPPORT.** Except as expressly required by applicable law, nothing in this EULA entitles you to any support, maintenance, or new versions of the Software. You may contact Altiris to determine the availability of support, maintenance, and new versions of the Software, and the fees, terms, and conditions that would apply.

18. **TAXES.** In the event that any withholding, sales, or use taxes, goods and services tax, or other taxes or government fees, assessments, or charges are payable because of this EULA, or any license of the Software, or because of any payment by you, then you shall pay such taxes, fees, assessments, and charges in addition to all other payments.

19. **GOVERNING LAW, VENUE, AND ATTORNEYS' FEES.** This EULA shall be governed by the laws of the state of California and the United States of America without giving effect to conflict or choice of law principles, and any litigation between the parties arising under this EULA shall be conducted exclusively in California state courts or the federal district courts within California. The parties agree to exclude application of the "United Nations Convention on Contracts for the International Sale of Goods" to this EULA. If you acquired the Software in a country outside the United States, then that country's local laws may apply. In any action or suit to enforce any right or remedy under this EULA or to interpret any provision of this EULA, the prevailing party will be entitled to recover its fees and costs, including reasonable attorneys' fees.

20. **SEVERABILITY.** If any provision in this EULA is invalid or unenforceable or contrary to applicable law, such provision shall be construed, limited, or altered, as necessary, to eliminate the invalidity or unenforceability or the conflict with applicable law, and all other provisions of this EULA shall remain in effect.

21. **TERM AND TERMINATION.** This EULA is effective until terminated. You may terminate this EULA by uninstalling and returning the Software to Altiris along with all Documentation and original media. The licenses granted herein shall automatically terminate without notice if you fail to comply with any material provision of this EULA. In such event, you must immediately uninstall and return the Software, including all Documentation and original media, to Altiris. This shall not limit or affect any remedy available to Altiris for your breach of this EULA.

22. **U.S. GOVERNMENT RESTRICTED RIGHTS.** The Software is deemed to be commercial computer software as defined in FAR Part 12 and its successor regulations, and subject to restricted rights as defined in FAR Section 52.227-19 "Commercial Computer Software - Restricted Rights" and DFARS 227.7202, "Rights in Commercial Computer Software or Commercial Computer Software Documentation", as applicable, and any successor regulations. Any use, modification, reproduction release, performance, display or disclosure of the Software by the U.S. Government shall be solely in accordance with the terms of this EULA.

23. **EXPORT LAWS.** You acknowledge that the Software and related technical data and services (collectively "Controlled Technology") may be subject to the import and export laws of the United States, specifically the U.S. Export Administration Regulations (EAR), and the laws of any country where Controlled Technology is imported or re-exported. Customer agrees to comply with all relevant laws and will not to export or re-export any Controlled Technology in contravention to U.S. law, nor to any prohibited country, entity, or person for which an export license or other governmental approval is required. All Controlled Technology is prohibited for export or re-export to Cuba, North Korea, Iran, Syria and Sudan and to any country subject to relevant trade sanctions. You hereby agree that you will not export, re-export or sell any Controlled Technology for use in connection with chemical, biological, or nuclear weapons, or missiles, drones or space launch vehicles capable of delivering such weapons.

24. **CONSTRUCTION.** No rule of strict construction shall apply against or in favor of either party in the construction and interpretation of this EULA.

25. **ASSIGNMENT.** You may not assign, sublicense, or transfer this EULA, the Software, or any rights or obligations hereunder without prior written consent of Altiris. Any such attempted assignment, sublicense, or transfer will be null and void. Altiris may terminate this EULA in the event of any such attempted assignment, sublicense, or transfer.

26. **ENTIRE AGREEMENT.** This EULA sets forth the entire understanding and agreement between the parties relating to its subject matter and may be amended only in a writing signed by both parties. Any waiver of or promise not to enforce any right under this EULA shall not be enforceable unless evidenced by a writing signed by the party making said waiver or promise. ANY TERMS AND CONDITIONS OF ANY PURCHASE ORDER OR OTHER DOCUMENT SUBMITTED BY YOU IN CONNECTION WITH THE SOFTWARE THAT ARE IN ADDITION TO, DIFFERENT FROM, OR INCONSISTENT WITH THE TERMS AND CONDITIONS OF THIS EULA ARE NOT BINDING ON ALTIRIS AND ARE INEFFECTIVE. NO VENDOR, DISTRIBUTOR, DEALER, RETAILER, SALES PERSON, OR OTHER PERSON IS AUTHORIZED BY ALTIRIS TO MODIFY THIS EULA OR TO MAKE ANY WARRANTY, REPRESENTATION, OR PROMISE THAT IS DIFFERENT THAN OR IN ADDITION TO THE WARRANTIES, REPRESENTATIONS, OR PROMISES EXPRESSLY SET FORTH IN THIS EULA.

## LICENSE TYPES

The License Type purchased by you determines the license rights granted to you under this EULA. The License Type will be specified in the Fulfillment Confirmation provided to you. Such License Types include but are not limited to the following:

Evaluation License – An Evaluation License is a limited license that provides you an opportunity to try the Software before buying a full license. A temporary activation key will be issued to you for this license specifying the number of licensed nodes or concurrent users, and the evaluation period. The Software may only be used for evaluation purposes and not for commercial use. The Software is licensed to you only for the specified evaluation period, which will begin on the date that the Software is first downloaded by or delivered to you. If no period of use is specified, then your right to use the Software shall terminate thirty (30) days from receipt of the Software, at which time you must return or destroy the Software.

Not for Resale Demonstration (“NFR”) License – An NFR License is a special, limited evaluation license that is provided to and solely for use by authorized Altiris channel and OEM partners to assist in demonstrating the Software to prospective customers. Altiris reserves the right to terminate this license at any time and at its sole discretion. Additionally, in the event that the partner relationship with Altiris expires or is terminated or the partner no longer uses the license as intended, the NFR License will immediately terminate.

Node License – Under the terms of a Node License, you may use the Software to manage an aggregate number of Nodes within your organization not to exceed the sum of your licensed nodal count. A “Node” is any asset under management by the Software. An asset is: (a) a physical device such as a computer, PDA, or server, (b) a virtual device, such as an operating environment that may be running concurrently with another operating environment on a single physical device (e.g., VMware\*, Virtual PC\*, Virtual Server\*), or (c) an object stored by the Software in a database, such object representing a physical or virtual asset for which data is being tracked or managed by the Software (e.g., printer, copier, etc.). A Node License will be deemed consumed for a particular Software product once an asset (as defined above) has been managed by a particular Software product. An asset has been managed by a particular Software product once the Software product has (i) been run locally on an asset, (ii) remotely interacted with and/or received a response from an asset, (iii) configured or changed a setting of or migrated settings to or from an asset, or (iv) otherwise performed any management functionality that such particular Software product has been designed to perform with respect to an asset. You must purchase a sufficient number of Node Licenses to cover all Node Licenses consumed by a particular Software product.

Concurrent User License – Under the terms of a Concurrent User License, you may distribute and install internally within your organization an unrestricted number of copies of the Software, provided the number of users accessing or using the Software simultaneously does not exceed your licensed user count. Individuals solely using the “My Helpdesk Console” or any “self-help” functionality in the Software shall not count against your licensed user count.

Connector License – Under the terms of a Connector License, you may distribute and install internally within your organization an unrestricted number of copies of the Software.

Per User License – Under the terms of a Per User License, you may distribute and install internally within your organization an unrestricted number of copies of the Software, provided that you purchase a license for each user who has access to or who uses (i) any portion of the Software, or (ii) any software, hardware, or devices being managed by the Software, whether such access or use is concurrent with or non-concurrent with other users and whether such access or use is over a network, via a terminal server, or otherwise.

Per Device License – Under the terms of a Per Device License, you may distribute and install internally within your organization an unrestricted number of copies of the Software, provided the aggregate number of barcode reader devices used with the Software does not exceed the number of Per Device license units purchased by you.
