This EULA is the parties' entire agreement relating to the subject matter hereof and supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any communication between the parties relating to its subject matter. No modification to this EULA will be binding unless in writing and signed by an authorized representative of each party. Any express waiver or failure to exercise promptly any right under this EULA will not create a continuing waiver or any expectation of non-enforcement. If any provision of this EULA is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable. To the extent that any and all provisions of this EULA shall exclude or limit any statutory liability which, according to mandatory provisions of Applicable Law cannot be contractually excluded or limited by mutual agreement of the parties, then such provision shall be given only such effect, if any, as is permitted by the Applicable Law.
