The enclosed software (the "Program(s)") and related documents, training materials and user guides (collectively the "Documentation") are licensed solely to the named entity identified in Dorado's business records (the "Licensee") subject to the terms of this License, unless such terms are expressly and unambiguously amended by a separate written license agreement between Licensee and Dorado. If Licensee does not agree with these terms, Licensee must within five business days after receipt of the Program(s) return the unopened tape or disk package together with the Documentation to Dorado Software, Inc. ("Dorado") at 110 Woodmere Road, Suite 200, Folsom, California 95630.

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Registration Form.

### THIS IS A LICENSE AND NOT A SALE

#### 1. License

1.1 Subject to the terms and conditions of this License Agreement ("License"), Dorado grants solely for use by the entity of record in Dorado's business records a non-exclusive, non-transferable license to:

1.1.1 use the Program solely for its own internal business purposes on the Hardware and the Operating System Software and at the Site specified in the applicable Dorado business records and solely in accordance with the accompanying Documentation;

1.1.2 make one (1) copy of the Program exclusively for back-up or archive purposes; no other copies may be made. All copyright and other proprietary notices appearing on the Program and its media shall be maintained and reproduced on all copies of the Program.

1.2 All proprietary rights and trade secrets in the Program and the Documentation, and all copies (in whole or part) shall be the exclusive property of Dorado (and its licensors), and are protected by United States laws and international treaty provisions. Licensee shall have no right, title, or interest therein except for the rights expressly granted under this License.

1.3 Licensee shall not use the Program on any operating system software or hardware other than as stated in the applicable Dorado business records.

1.4 This License may not be assigned, sub-licensed or otherwise transferred or used for the benefit of third parties without the prior written consent of Dorado.

1.5 Licensee may not use, copy, alter, merge, adapt, modify, rent, or lease the Program or the Documentation, or any copy thereof, in whole or in part, except as expressly provided in this license or under applicable statutes. Except to the extent applicable statutory law specifically prohibits such restrictions, Licensee shall not reverse engineer or decompile the Program for any reason.

1.6 Licensee shall not copy all or part of the Documentation provided by Dorado. Additional copies may be obtained from Dorado for additional fees.

#### 2. License Fees

Licensee shall pay the non-refundable license fees and maintenance fees for the Programs set out in the applicable invoice within thirty (30) days of the date of such invoice. Upon payment of the applicable license fees ("Payment"), Dorado will provide to Licensee the instructions or devices to permanently enable the Program(s) (the "License Key"). Past due amounts owed by the Licensee shall bear

interest at a rate of 1.5% per month or the maximum allowed under applicable law. Licensee also shall be responsible for all reasonable costs incurred in the collection of past due amounts owed by Licensee and all taxes and duties, including but not limited to any local sales taxes, withholding taxes or use taxes, or import or export duties, assessed in connection with the licensing of the Programs (except for any taxes based on Dorado's net income).

#### 3. Confidentiality

3.1 The Program and the Documentation contain certain information that is confidential and of substantial value to Dorado. Except as expressly permitted herein, Licensee shall not use or disclose said confidential information, or cause it to be disclosed, to any third party.

3.2 No benchmark results nor results of any functional testing or evaluation of the Program shall be disclosed to any third party or used for any purpose other than to facilitate Licensee's internal use of the Program.

#### 4. Limited Warranty and Disclaimer

4.1 Dorado warrants that the Programs, when used in accordance with the terms of this License, will operate substantially as set forth in the accompanying Documentation for a period of ninety (90) days following delivery of the Program(s) to Licensee.

4.2 Dorado warrants that the media on which the Program is delivered will be free of defects in material and workmanship for a period of ninety (90) days following delivery of the Program(s) to Licensee.

4.3 Dorado warrants that prior to delivery of the Program(s) to Licensee, Dorado has used commercially reasonable efforts to prevent the Programs from being infected with, and any modified or enhanced versions of the Programs prepared by, or at the direction of, Dorado from being infected with, any "worms", "viruses", "Trojan Horses", "protect codes", "data destruct keys" or other programs or programming devices that might be used to access, modify, delete or damage the Programs, or other software, computer hardware or data of Licensee, other than as necessary to implement the License Key.

4.4 Licensee's sole and exclusive remedy for breach of any of the above warranties shall be, at Dorado's option, the repair or replacement of the Program or the media.

4.5 EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 4 AND NOTWITHSTANDING ANY OTHER TERMS IN THIS LICENSE, DORADO MAKES NO EXPRESS OR IMPLIED WARRANTY WITH RESPECT TO THE PROGRAMS, DOCUMENTATION OR MAINTENANCE TO BE SUPPLIED BY

DORADO, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF THIRD PARTY RIGHTS. DORADO DOES NOT WARRANT THAT ANY PROGRAMS WILL BE ERROR-FREE, OR THAT ANY DEFECTS THAT MAY EXIST IN ANY PROGRAMS CAN BE CORRECTED.

**5. Limitation on Liability**

IN NO EVENT SHALL DORADO BE LIABLE FOR ANY LOSS OF PROFITS, USE, BUSINESS, DATA OR INFORMATION, OR FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES WHATSOEVER, INCLUDING BUT NOT LIMITED TO DAMAGES RESULTING FROM LOSS OF ANTICIPATED SAVINGS OR LOST DATA, EVEN IF DORADO HAS BEEN ADVISED, KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY THEREOF, OR FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES RESULTING FROM ANY AND ALL CLAIMS BY ANY THIRD PARTIES. THE AGGREGATE LIABILITY OF DORADO HEREUNDER WHETHER IN CONTRACT OR IN TORT SHALL IN NO EVENT EXCEED THE LESSER OF THE FEES PAID BY LICENSEE OVER THE PRECEDING TWELVE (12) MONTHS OR \$1,000,000.

**6. Indemnity**

6.1 Dorado shall indemnify Licensee for any claim, demand or cause of action by a third party ("Demand") to the extent that it is based upon a claim that the Programs infringe any U.S. patent, U.S. trademark, or Berne Convention copyright, or that the Programs misappropriate any trade secret of any third party within the country in which the Site is located. The foregoing indemnification is conditioned on Licensee notifying Dorado promptly in writing of such Demand, Licensee giving Dorado sole control of the defense thereof (and any negotiations for settlement or compromise thereof), and Licensee cooperating in the defense thereof at Dorado's request and expense, provided that Licensee may, at its own expense, assist in such defense if it so chooses. Dorado, at its sole option and expense may: (a) procure for Licensee the right to continue using the Programs; or (b) substitute a non-infringing version of the Programs so that the Programs become non-infringing and still conform to the applicable specifications; or (c) return the license fee paid by Licensee hereunder for the Programs, less an amount equal to straight line depreciation of the Programs over four years, and Licensee shall immediately return the Programs to Dorado. Licensee shall not incur any costs or expenses on behalf of Dorado under or pursuant to this Section without Dorado's prior written consent.

6.2 Dorado shall have no liability to Licensee for any Demand by a third party alleging infringement or misappropriation based upon (a) any use of the Programs in a manner other than as permitted in this License; or (b) any use of the Programs in combination with any product not provided by Dorado, to the extent that such Demand is directed against the combination. THE FOREGOING STATES THE ENTIRE LIABILITY OF THE PARTIES AND LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR SUCH DEMANDS.

**7. Term and Termination**

7.1 The License granted herein shall be perpetual, subject to Dorado's receipt of the applicable license fees and Dorado's right to terminate the License in accordance with this Section.

7.2 Dorado may terminate this License immediately upon written notice to Licensee if Licensee breaches the provisions of Section 1 (License). Either party may at its option terminate this License immediately upon written notice in the event that the other party: (a) breaches any term of this License, which breach remains uncured for a period of thirty (30) days after written notice of such breach to the other party; or (b) becomes insolvent or asserts that it is insolvent, fails to pay its general obligations as they become due, institutes or has instituted against it any proceeding, arrangement, receivership or assignment for the benefit of creditors, or files or has filed against it any petition under applicable bankruptcy laws.

7.3 ON TERMINATION OF THIS LICENSE FOR ANY REASON LICENSEE SHALL CEASE USING THE PROGRAM AND THE DOCUMENTATION AND ALL COPIES OF THE SAME SHALL BE IMMEDIATELY RETURNED TO DORADO.

7.4 The operation of Clauses 3, 5, 6, 7 and 8 shall survive the termination of this License.

**8. General**

8.1 The Program is subject to laws and regulations of the United States that restrict its export. You agree that you shall not export or "re-export" (transfer) the Program unless you have complied with all applicable United States and foreign government export controls and approvals.

8.2 Dorado licenses products for ultimate end use by federal government agencies and other federal government customers ("federal government customers") only under the following conditions. Rights granted herein include only those rights customarily provided to end use customers of Programs and Documentation as defined in this Agreement. This customary commercial license in software is provided in accordance with FAR 12.211 (Technical Data) and 12.212 (Computer Software) and, for Department of Defense purchases, DFAR 252.227-7015 (Technical Data - Commercial Items) and DFAR 227.7202-3 (Rights in Commercial Computer Software or Computer Software Documentation). If a federal government or other public sector customer has a need for rights not conveyed under these terms, it must negotiate with Dorado to determine if there are acceptable terms for transferring such rights, and a mutually acceptable written agreement specifically conveying such rights must be executed by both parties. To the extent that Licensee sublicenses Programs pursuant to the terms and conditions of the Agreement to any sublicensee that is a federal government agency or other federal government customer, Dorado will accept only the following subcontract or flow-down provisions: FAR 52.222-26, "Equal Opportunity"; FAR 52.222-35, "Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era"; and FAR 52.222-36, "Affirmative Action for Workers with Disabilities." Any additional subcontract or flow-down provisions, including any provisions imposed by federal, state, local or other governmental or quasi-governmental entities, must be negotiated between the parties and reflected in a mutually acceptable written agreement executed by both parties.

8.3 Dorado and its licensors shall have the right to conduct an audit of (and to copy) Licensee's records on reasonable notice and not more than once in each twelve month period to verify that Licensee is complying with the terms hereof. In the event that an underpayment is revealed as the result of such audit Licensee shall immediately upon being so requested by Dorado pay such underpayment together with the costs of any such audit.

8.4 If one or more provisions of this License are held to be illegal or unenforceable under applicable law, such illegal or unenforceable provision(s) shall be limited or excluded from this License to the minimum extent required so that this License shall otherwise remain in full force and effect and enforceable in accordance with its terms.

8.5 This License shall be governed by and construed under the laws of the State of California and the United States of America, without regard to conflicts of laws provisions thereof.

8.6 Licensee agrees that this License is the complete and exclusive statement of the mutual understanding between the parties and supersedes all previous written and oral agreements and communications relating to the subject matter of this License. It may not be modified or waived except in writing signed by authorized representatives of both parties.

8.7 All notices under this License shall be in writing, and shall be deemed given when personally delivered, or after being sent by prepaid certified or registered U.S. mail to and received by the address

of the party to be noticed or such other address as such party last provided to the other by written notice.

8.8. Licensee shall not assign, transfer, or sublicense any obligations or benefit under this License without the prior written consent of Dorado (and any such attempt shall be void). Dorado may assign this License in whole or in part.

8.9. The Programs are not specifically developed or licensed for use in any nuclear, aviation, mass transit or medical application or in any other inherently dangerous applications. Neither Dorado nor its suppliers shall be liable for any claims or damages arising from such use and Licensee agrees to indemnify and hold harmless Dorado and its suppliers from any claims for losses, costs, damages, or liability arising out of or in connection with the use of the Programs in such applications.

**LICENSEE ACKNOWLEDGES THAT LICENSEE HAS READ THE TERMS OF THIS LICENSE AND AGREES TO BE BOUND BY ITS TERMS.**
