

**ATTACHMENT VII
END USER LICENSE AGREEMENT**

THE FOLLOWING TERMS AND CONDITIONS, TOGETHER WITH THE TERMS AS SET FORTH ON THE END USER SALES ORDER, SHALL CONSTITUTE THE ENTIRE AGREEMENT BETWEEN THE END USER AND KAPOW. UPON RECEIPT OF THE LICENSED PRODUCT(S) AND/OR LICENSED PRODUCT(S) KEY, THE END USER ACKNOWLEDGES THAT END USER HAS READ THESE LICENSE TERMS, UNDERSTANDS THEM, AND AGREES TO BE BOUND BY THEM.

1. Grant of License

Kapow grants to the End User a non-exclusive, nontransferable license to use the program with which this license is distributed (the "Software"), and the accompanying documentation (the "Documentation"), (the Software, the media embodying the Software and the Documentation are referred to as the "Licensed Material") at a single site location for which the End User has paid the applicable license fee. The Licensed Material shall be used only by the End User's employees, only for End User's use and not for the benefit of any other person or entity.

2. Ownership

The Licensed Material and all intellectual property rights therein and related thereto are the sole and exclusive property of Kapow. Subject to the terms hereof, the End User has a license to use the Licensed Material as long as this License Agreement remains in full force and effect. Any other use of the Licensed Material by any person, business, corporation, government organization or any other entity is strictly forbidden and is a violation of this License Agreement.

3. Copyright

The Licensed Material contains material that is protected by patent, copyright, trade secret law or other intellectual property rights, and by international treaty provisions. The End User may make one (1) copy of the Software for backup purposes only and that copy shall include all proprietary notices of Kapow. End User may not copy the Documentation. End User may not remove any proprietary notice of Kapow from the Licensed Material. All rights not granted to End User in this License Agreement are reserved to Kapow. Kapow may make changes to the Licensed Material at any time without notice. Except as otherwise expressly provided, Kapow grants no express or implied right under Kapow patents, copyrights, trademarks, or other intellectual property rights.

4. Protection and Restrictions

End User agrees to use the its best efforts and take all reasonable steps to safeguard the Licensed Material to ensure that no unauthorized person shall have access thereto and that no unauthorized copy, publication, disclosure or distribution, in whole or in part, in any form shall be made. End User acknowledges that the Licensed Material contains valuable confidential information and trade secrets and that unauthorized use and/or copying shall be harmful to Kapow. End User may not: (i) use or copy the Software except as expressly allowed in this License Agreement; (ii) transfer, assign, publish, display, disclose, rent, lease, modify, loan, lend or use the Software for timesharing or service bureau purposes; (iii) distribute, or create derivative works based on the Software or any part thereof; (iv) reverse engineer, decompile, translate, adapt, or disassemble the Software, merge the Software with any other software, or attempt to create the source code from the object code for the Software or (v) transmit the Software over any network or between any devices, although End User may use the Software to make such transmissions of other materials. The Licensed Material shall not be exported or re-exported in violation of any export regulations of any applicable jurisdiction.

5. Disclaimer & Limitation of Liability

To the maximum extent permitted by law, Kapow disclaims all other warranties of any kind, either expressed or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title

and non-infringement, course of dealing or usage of trade. Kapow does not warrant that the functions contained in the Software will meet any requirements or needs End User may have, or that the Software will operate error-free, or in an uninterrupted manner, or that any defects or errors in the Software will be corrected, or that the Software is compatible with any particular platform. Except as required pursuant to a valid and binding maintenance contract between Kapow and End User, Kapow is not obligated to provide any updates to the Software. Some jurisdictions do not allow the waiver or exclusion of implied warranties so some or all of the foregoing may not apply to End User.

END USER ASSUMES ALL RISK AS TO THE SELECTION, USE, PERFORMANCE AND QUALITY OF THE SOFTWARE. NO EVENT WILL KAPOW OR ANY OTHER PARTY WHICH HAS BEEN INVOLVED IN THE CREATION, PRODUCTION, DELIVERY OF THE LICENSED MATERIAL BE LIABLE TO END USER OR ANY THIRD PARTY FOR ANY INCIDENTS OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, INDIRECT, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES FOR LOSS OF BUSINESS, LOSS OF PROFITS, BUSINESS INTERRUPTION, OR LOSS OF BUSINESS INFORMATION) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, OR FOR ANY CLAIM BY ANY OTHER PARTY, EVEN IF KAPOW OR SUCH OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6. Termination

This License Agreement is effective until terminated. End User may terminate this License Agreement at any time by uninstalling the Software and returning to Kapow or destroying or all copies of the Licensed Material in End User's possession or under End User's control, and providing Kapow a written affidavit as evidence of such completion. Kapow may terminate this License Agreement if Kapow finds that End User has violated the terms hereof, including an unauthorized transfer or assignment of this Agreement, or for non-payment of any amounts owed to Kapow by End User after reasonable notice from Kapow and failure to cure by End User. Upon any such termination, all of End User's right to use the Licensed Materials shall immediately cease and End User shall promptly return to Kapow or destroy/purge all copies of the Licensed Materials, and provide Kapow a written affidavit as evidence of such upon completion. Any obligations to pay fees and all provisions relating to confidentiality, ownership, proprietary rights, protection and restrictions on use of the Licensed Software shall survive the termination of this License Agreement. Termination is not an exclusive remedy and all other remedies will be available whether or not the Agreement is terminated.

7. Assignment

End User may not transfer or assign any of End User's rights to use the Licensed Material to another person or entity, without first obtaining the prior written approval of Kapow, which approval shall not be unreasonably withheld. If such approval is granted, the transferee/assignee shall be required to execute a new license agreement with Kapow.

8. Government Restricted Rights

The Licensed Material is provided with "RESTRICTED RIGHTS." Use, duplication, or disclosure by the Government is subject to restrictions as set forth in FAR52.227-14 and DFAR252.227-7013 et seq. or its successor. Use of the Licensed Material by the Government constitutes acknowledgment of Kapow's proprietary rights therein. Contractor or Manufacturer is Kapow.
