# NASPO ValuePoint Cloud Solutions Contract

The State of Utah and a sourcing team of state procurement and IT professionals from eight states led the development of this multi-state cooperative procurement which covers all SaaS, PaaS, and IaaS models as defined by the National Institute of Standards and Technology. All states, the District of Columbia, and US Territories are now eligible to use NASPO ValuePoint contracts through the execution of a state-specific Participating Addendum.

States, technology vendors, and reseller partners interested in teaming with Carahsoft through our NASPO ValuePoint contract are invited the Cloud Solutions team at Carahsoft at [NASPO@carahsoft.com](mailto:NASPO@carahsoft.com) or 703-230-7435.
