- (a) Subject to Section 2(b), you may install and use the Software on a single computer; OR install and store the Software on a storage device, such as a network server, used only to install the Software on your other computers over an internal network, provided you have a license for each separate computer on which the Software is installed and run. Except as otherwise specifically provided in Section 2(b), a license for the Software may not be shared, installed or used concurrently on different computers. You must reproduce on any such copy all copyright notices and any other proprietary legends on the original copy of the Software. You may not sell or transfer any copy of the Software made for backup purposes. In addition, you may make copies of the End User Product, and the associated Quantum4D Run-Time, and distribute those copies; provided, however, that (i) the Quantum4D Run-Time may not be distributed or used other than as bundled with the Output File as part of the End User Product, and (ii) you shall require each party to whom the End User Product is distributed to agree that no title to, or ownership rights in, the Quantum4D Run-Time are transferred and that the End User Product, including the Quantum4D Run-Time, shall not be reverse compiled or disassembled. In addition, you may not distribute an End User Product the purpose of which is to replay the courseware, presentations, interactive multimedia material, interactive analysis products and the like of others.
