The state of Pennsylvania and Carahsoft have entered into a contract based on Carahsoft's GSA Schedule GS-35F-0119Y. Currently Symantec products and services and many other hardware vendors from the GSA contract are available for purchase. Please see list of vendors above.

GSA is a federal purchasing vehicle with option for state and local governments to utilize using GSA's Cooperative Purchasing Program. Under the Cooperative Purchasing Program statute state and local governments are authorized to buy commercial IT Products and Services under Multiple Award Schedules for IT solutions and law enforcement products and services. The cooperative purchasing program allow state and local governments to purchase through IT schedule 70, GSA MAS 84, and Blank Purchase Agreements (BPAs).
