Through this partnership, we provide public sector organizations with easy access to promote cloud and shared services, and transition their existing infrastructure to a more efficient platform that will leverage the technological advancements that optimize infrastructure.

Carahsoft offers expertise in government procurement processes and practices, and holds numerous contracts that enable Nutanix to sell to:

- State Agencies
- Cities, Counties, and Local Government
- School Districts (K-12, and charter/private schools)
- Higher Education Institutions (universities, community and private colleges, and technical/vocational schools)

Nutanix solutions are available through the contracts and purchasing agreements highlighted below.

State and Local Government Contracts & Education Procurement Vehicles

Carahsoft holds state-, city-, county-, and technology-specific contracts that accelerate procurement for government agencies and educational institutions. In addition, through GSA's Cooperative Purchasing Program, state, local, and tribal governments can purchase through specific GSA Schedule contracts.

Carahsoft also partners with resellers who focus on states and regions throughout the country. Through these teaming arrangements, Carahsoft and Nutanix also have access to these vehicles.
