

**CARASOFT TECHNOLOGY CORP. IS AMONG THE TOP SMALL TECH COMPANIES**

*Washington Business Journal's Top 25 Small Technology Companies*

RESTON, VA, October 20, 2007 – Carahsoft Technology Corporation, a government IT solutions provider, has been recognized by the Washington Business Journal as a top small technology company in the greater Washington D.C. area. The publication ranks the top 25 companies with less than 100 employees based on 2006 revenue.

“We are honored to be among this exclusive list of technology companies,” said Craig P. Abod, President of Carahsoft. “Our talented team is dedicated to bringing the most valuable products and delivering excellent sales and service to the public sector.”

**About Carahsoft**

Carahsoft Technology Corp. is a trusted government IT solutions provider. The company combines technological expertise with a thorough understanding of the government procurement process to help Federal, state and local Government agencies select and implement the best solution at the best possible value. Carahsoft serves as the master GSA schedule holder/distributor for Adobe, Red Hat, MySQL, Pillar Data Systems, VMware, and Symantec. In addition to information storage/security, open source and Adobe solutions, Carahsoft maintains dedicated teams to support sales and marketing of HR solutions including Avue Technologies and Careerbuilder, as well as intelligence solutions through its partnerships with many of the IN-Q-TEL portfolio companies.
