

CARAHSOFT TECHNOLOGY CORP. IS AMONG THE TOP PRIVATE COMPANIES IN WASHINGTON

Ranks 90 Among Washington's Top 100 Private Companies

RESTON, VA, April 9, 2007 – Carahsoft Technology Corporation, a government IT solutions provider, has been recognized by the Washington Business Journal as one of the top private companies in Washington, D.C. The publication ranks the top 100 private companies based on 2006 revenue.

Carahsoft president Craig P. Abod says: "We are honored to be recognized as a top private company. It is a credit to the dedication of our team and our vendor partners to providing the public sector market with the most valuable products and delivering excellent sales and service."

About Carahsoft

Carahsoft Technology Corp. is a trusted government IT solutions provider. The company combines technological expertise with a thorough understanding of the government procurement process to help Federal, state and local Government agencies select and implement the best solution at the best possible value. Carahsoft serves as the master GSA schedule holder/distributor for Adobe, Red Hat, MySQL, Pillar Data Systems, VMWare and Symantec. In addition to information storage/security, open source and Adobe solutions, Carahsoft maintains dedicated teams to support sales and marketing of HR solutions including Avue Technologies and Careerbuilder, as well as intelligence solutions through its partnerships with many of the IN-Q-TEL portfolio companies.
