Carahsoft Named Vizioncore's Outstanding Federal Partner of 2008

*Cited for Exceptional Performance in Driving Demand for
Server Virtualization Management in Government Marketplace*

Reston, VA—January 30, 2009 - Carahsoft Technology Corp., a leading government IT solutions provider, today announced that it has been named Vizioncore's Outstanding Federal Partner of 2008. Carahsoft received this award, which is bestowed on only a limited number of Vizioncore's partners annually, in recognition of exceptional achievements in both revenue growth and customer satisfaction.

"A main focus for Vizioncore is excellence, especially with regard to the quality of our partners and their ability to keep customers productive and moving forward," said Joe Castro, Vice President of Americas Sales. "Carahsoft excels in their unique position working with Federal agencies in the United States, and embodies many of the key attributes we look for in our partners in terms of professionalism and expertise. We want to recognize their commitment to meet the high standards of government clients with reputable, world-class virtualization products and service."

Vizioncore Inc. provides software that helps organizations safeguard and optimize their virtualized environments and allows them to extract the maximum return on their investment in the VMware platform. Vizioncore's software products support essential IT strategies, including business continuity, high availability and disaster recovery.

"We are honored to be recognized as Vizioncore's Federal Partner of the Year," said Craig P. Abod, Carahsoft president. "As the firm's master government aggregator, we appreciate the opportunity to support Vizioncore's customers and reseller partners as the company expands its presence in the government market place."
