Carahsoft Named Third-Fastest Growing Companies in DC Metro Area

IT Solutions Provider Doubles Revenue Year-Over-Year

RESTON, VA, October 23, 2008 - Carahsoft Technology Corp., the trusted government IT solutions provider, today announced that it has been ranked as the third-fastest growing company on the Washington Business Journal's 2008 list of the 50 Fastest Growing Companies in Greater Washington. With an average annual growth rate (2005-2007) of 150.74%, Carahsoft earned its place on the list for the second consecutive year.

The rankings are determined based on average annual revenue growth from 2005-2007. During that period, Carahsoft's revenue grew from \$36 million to more than \$228 million, the highest revenue generated by the top three companies on the list.

"We are honored to be recognized again as one of the area's top performing companies," said Craig P. Abod, Carahsoft president. "We thank our vendor partners and our government customers who make our sustained growth possible, and our team members who provide unparalleled sales, marketing and contracting expertise."

To be considered for the 2008 Fastest Growing Companies list companies must be based in the Greater Washington D.C. area (the District, Northern Virginia, and Montgomery and Prince George's Counties in Maryland), and have 2005 revenue of more than \$2 million and 2007 revenue of more than \$10 million. Rankings are based on average annual growth rates.
