

## **BLUE LANE AND CARAHSOFT ANNOUNCE PARTNERSHIP TO DELIVER SECURE VIRTUALIZATION SOLUTIONS TO U.S. GOVERNMENT**

VirtualShield™ Protects VMware Infrastructure 3 Virtualized Data Centers

**CUPERTINO, Calif. – June 12, 2007** – Blue Lane Technologies, Inc. announced today that it has entered into a partnership with Carahsoft Technology Corp., a government-focused information technology provider. Under this agreement, Carahsoft will serve as master GSA schedule holder for Blue Lane's best-of-breed virtual server security products. Blue Lane is a VMware Technology Alliance Program partner and Carahsoft acts as master GSA schedule holder for VMware.

"Our partnership with Carahsoft offers a new level of security for virtualized data centers for leading government agencies," said Jeff Palmer, president and CEO at Blue Lane. "We're very excited to leverage Carahsoft's profile and extensive sales, marketing and integration expertise in the government market to further extend our technology and market leadership in secure virtualization."

"We are very pleased to add Blue Lane's award-winning VirtualShield® solution to our portfolio," said Craig P. Abod, president of Carahsoft. "Carahsoft teams with industry leading companies to jointly develop solutions that provide value and cost savings to our customers. Through our partnership with Blue Lane, we will work together to take secure virtualization to a new level and significantly improve our customers' security efforts."
