**Carahsoft Climbs to #74 on 2011 Washington Technology Top 100**  
*Up from #99 in Annual Ranking of Largest Government Contractors*

Reston, VA - July 8, 2011 - [Carahsoft Technology Corp.](#), the trusted government IT solutions provider, today announced that it has been ranked at #74 on the [2011 Washington Technology Top 100 Government Contractors](#) list.

Carahsoft debuted on the list last year at #99. In 2011, the company made a “quantum leap” according to Washington Technology, to move up 25 spots on the Top 100 with a strategy focused on customers, partners and technology vendors.

“Being included on this prestigious list is truly an honor,” said Craig P. Abod, Carahsoft president. “Our focus is our customers, technology partners and resellers. Providing solutions that help our government customers improve performance and reduce costs is key to our success in this difficult market.”

The Washington Technology 2011 Top 100 is based on an analysis of data from the Federal Procurement Data System-Next Generation. The data is analyzed according to a set of 702 product service codes that government agencies assign their expenditures of more than \$3,000.

The 2011 Top 100 was published in the July 2011 issue of Washington Technology magazine. The issue features the rankings and an article on Carahsoft: [“Carahsoft leaps ahead on 2011 Top 100.”](#)
