RESTON, VA, September 10, 2009 - Carahsoft Technology Corp., the trusted government IT solutions provider, today announced that it has been included on Everything Channel's Fast Growth 100 list. The annual ranking recognizes the nation's fastest growing IT solutions providers.

Carahsoft's two-year revenue growth of 280% outpaced the Fast Growth 100 average by more than three times and earned the company the #6 ranking on the 2009 list. This is the third consecutive year Carahsoft has ranked in the list's top ten.

"Maintaining our focus and providing great service to our technology partners and our government customers has been the key to making our triple-digit growth rate possible year over year," Craig P. Abod, Carahsoft president.

Inclusion in the Fast Growth 100 is the second distinction Carahsoft has received from Everything Channel this year. In June, Carahsoft received the VAR 500 Award as Top Revenue Producer.

Robert C. DeMarzo, senior vice president and editorial director for Everything Channel editorial, said, "The companies that are included on the Fast Growth 100 are channel industry leaders. They offer business-oriented IT consulting and work closely with their customers to integrate multivendor IT solutions as well as cutting-edge technologies. In addition, they understand the importance of strong sales philosophies. We congratulate Carahsoft on its well-earned success."

The Fast Growth 100 has an average two-year revenue growth ('06-'08) of 87 percent, and average annual sales of products and services of \$198.2 million. The Fast Growth 100 rank is based on two years' growth of net sales from calendar year 2006 to calendar year 2008. To be eligible for the 2009 Fast Growth 100, companies must be an IT solution provider; be based in the U.S.; have had net sales of at least \$1,000,000 in calendar year 2006; and be an independent company.
