

Budget Cuts and Staff Reductions

In the current environment of budget cuts, staff reductions and increased regulatory scrutiny the need for improved efficiency and best practices is greater than ever. TownClerk.com has developed a solution that addresses these concerns.

Be 90% More Productive by Doing More in Less Time

Our product MinuteTraq is a comprehensive software solution that will help you and your staff be up to 90% more productive, save time, improve workflow and standardize document management. Developed specifically with the needs of towns, cities and counties in mind, MinuteTraq will make you better at doing your job and save you time and money.

Learning More will be Time Well Spent

We welcome the opportunity to demonstrate our solution, provide references and take the time to understand your specific needs. Learning more about MinuteTraq will be time well spent.

Perform at Your Highest Level

We are confident that we can add significant value not only through time and cost savings but also through improved process. Don't let budget cuts and staff reductions stop you from performing your job at the highest level. To learn more about MinuteTraq please contact us today.
