

**Lockheed Martin Corporate Purchase Agreement for:****Symantec VERITAS Products & Services****Contractor: Carahsoft Technology Corp.****Lockheed Martin | Carahsoft Corporate Agreement**

Lockheed Martin and Carahsoft Technology Corp. entered into a Corporate Purchasing Agreement for the purchase of Symantec Products, Maintenance, Training, and Services, effective May 15, 2009.

This agreement allows Lockheed Martin to take advantage of special pricing on Veritas (*now a part of Symantec*) products and services both for internal use and in support of government contracts.

The agreement is effective until 2012 and encompasses all Veritas products, maintenance, support, training and professional services including, but not limited to:

- NetBackup
- NetBackup PureDisk
- Backup Exec
- Backup Exec System Recovery
- Cluster Server
- Storage Foundation
- Enterprise Vault
- Replication Exec
- Volume Replicator
- Volume Manager
- Command Central
- i3
- File System
- Backup Reporter
- Virtual Infrastructure

**About Carahsoft Symantec| Veritas Team**

As a Master GSA Aggregator for Symantec, Carahsoft is dedicated to providing the products, services and solutions that your organization needs. We offer government pricing along with complete technical support to help maximize and ensure your organization's efficiency and continuity.

Symantec, the global leader in providing security, storage and systems management solution, and Carahsoft have teamed to provide a broad range of software, appliances and service designed to help federal, state, and local government agencies manage their IT infrastructure.
