- 1. Scope.** This Carahsoft Rider and the Manufacturer End User License Agreement (EULA) establish the terms and conditions enabling Carahsoft to provide Software and Services to U.S. Government agencies (the "Client" or "Licensee").
- 2. Applicability.** The terms and conditions in the attached Manufacturer EULA are hereby incorporated by reference to the extent that they are consistent with Federal Law (e.g., the Anti-Deficiency Act (31 U.S.C. § 1341(a)(1)(B)), the Contracts Disputes Act of 1978 (41 U.S.C. § 601-613), the Prompt Payment Act, the Anti-Assignment statutes (31 U.S.C. § 3727 and 41 U.S.C. 15), 28 U.S.C. § 516 (Conduct of Litigation Reserved to Department of Justice (DOJ), and 28 U.S.C. § 1498 (Patent and copyright cases)).  - (a) Contracting Parties.** The Government customer (Licensee) is the "Ordering Activity", "defined as an entity authorized to order under GSA contracts as set forth in GSA ORDER 4800.2H ADM, as may be revised from time to time. The Licensee cannot be an individual because any implication of individual licensing triggers the requirements for legal review by Federal Employee unions. The Government cannot contract with the group, or in the alternative with a set of contracting parties.
 - (b) Changes to Work and Delays.** Subject to GSAR Clause 552.243-72, Modifications (Federal Supply Schedule) (July 200 0) (Deviation I 2010) (AUG 1987), and 52.212 -4 (f) Excusable delays. (JUN 2010) regarding which the GSAR and the FAR provisions shall take precedence.
 - (c) Contract Formation.** Subject to FAR Sections 1.601(a) and 43.102, the Government Order must be signed by a duly warranted contracting officer, in writing. The same requirement applies to contract modifications affecting the rights of the parties. All terms and conditions intended to bind the Government must be included within the contract signed by the Government.
 - (d) Audit.** During the term of this Agreement: (a) If Ordering Activity's security requirements included in the Order are met, Manufacturer or its designated agent may audit Ordering Activity's facilities and records to verify Ordering Activity's compliance with this Agreement. Any such audit will take place only during Ordering Activity's normal business hours contingent upon prior written notice and adherence to any security measures the Ordering Activity deems appropriate, including any requirements for personnel to be cleared prior to accessing sensitive facilities. Carahsoft on behalf of the Manufacturer will give Ordering Activity written notice of any non-compliance, including the number of underreported Units of Software or Services ("Notice"); or (b) If Ordering Activity's security requirements are not met and upon Manufacturer's request, Ordering Activity will run a self-assessment with tools provided by and at the

The validity, interpretation and enforcement of this Rider will be governed by and construed in accordance with the laws of the United States. In the event the Uniform Computer Information Transactions Act (UCITA) or any similar federal laws or regulations are enacted, to the extent allowed by law, it will not apply to this Agreement, and the governing law will remain as if such law or regulation had not been enacted. All clauses in the Manufacturer EULA referencing equitable remedies are deemed not applicable to the Government order and are therefore deemed to be deleted.

(g) Force Majeure. Subject to FAR 52.212 -4 (f) Excusable delays. (JUN 2010). Unilateral Termination by the Contractor does not apply to a Government order and all clauses in the Manufacturer EULA referencing unilateral termination rights of the Manufacturer are hereby deemed to be deleted.

(n) Taxes. Taxes are subject to FAR 52.212-4(k), which provides that the contract price includes all federal, state, local taxes and duties.

(o) Third Party Terms. Subject to the actual language agreed to in the Order by the Contracting Officer. Any third party manufacturer will be brought into the negotiation, or the components acquired separately under Federally-compatible agreements, if any. Contractor indemnities do not constitute effective migration.

(p) Installation and Use of the Software. Installation and use of the software shall be in accordance with the Rider and Manufacturer EULA, unless an Ordering Activity determines that it requires different terms of use and Manufacturer agrees in writing to such terms in a valid task order placed pursuant to the Government contract.
