

Evaluator Series™ Research End User License Agreement

1. Agreement

Evaluator Group Inc., hereafter "Company," agrees to grant a license to access *Evaluator Series™ Research (ESR)* to the Government Ordering Activity identified in the Purchase Order or similar document hereafter "Licensee," for value received. *ESR* access will be made available by issuance of a user ID and password to Licensee.

2. Products and Vendors

Company reserves the right, in its sole discretion, to include or exclude additional products in the *ESR* and to determine the schedule for doing so. Company solicits Licensee's input as to products and priorities for including products. Company retains the right to determine which new products are extensions to existing families that will be included in the *ESR* at no charge to the Licensee, otherwise coverage and inclusion of new products will be by separate agreement with a separate charge.

3. Use of the Research

Any employee of the Licensee may access *ESR*. Any Report may be printed locally for unlimited distribution within the Licensee's enterprise. No part of this Research may be resold.

4. Copyrights

The United States Copyright Act gives the owner of a copyright exclusive right to reproduce the copyrighted work and to prepare derivative works based on the copyrighted work, including displaying and distributing copies publicly. Company retains copyrights to all materials and processes developed by it. Licensee is hereby granted a non-exclusive license to use and employ such materials and processes for the term stated in Appendix A.

5. Warranties

Company warrants to Licensee that the *ESR* content is publicly available information and that the expert opinion published by Company is delineated and editorial in nature. Although Company exercises extensive precautions to assure the accuracy of this information, Company does not warrant its accuracy explicitly or implicitly. In no event shall Evaluator Group be liable for special or consequential damages arising from the use of this information.

Company warrants that its staff is not, nor shall they be deemed to be, at any time during the term of this Agreement, the employees of Licensee. Company makes no other warranties, written, oral or implied.

6. Non-Transferable

This Agreement is non-transferable and shall be construed under and governed by the federal laws of the United States. This Agreement is non-assignable and shall not be modified.

E-mail: Camberley@evaluatorgroup.com

8. Administrator, ID and Password

Licensee agrees to designate an Administrator who shall coordinate use of the *ESR and authorize individual employees or subcontractors (User) of the Licensee access to the ESR*. Administrator shall also interface to a named individual in the Company and shall keep such records as to authorized access. In the case a User's relationship with Licensee is terminated, the Licensee Administrator will delete their user id from access permission. In addition the Administrator shall learn and competently demonstrate the functions of *ESR*. Company agrees to make available to the Administrator such education as may be required.
