2. Applicability. The terms and conditions in the attached Manufacturer EULA (http://www.govdelivery.com/pdfs/subscription-agreement.pdf) are hereby incorporated by reference to the extent that they are consistent with Federal Law (e.g., the Anti-Deficiency Act (31 U.S.C. § 1341(a)(1)(B)), the Contracts Disputes Act of 1978 (41. U.S.C. § 601-613), the Prompt Payment Act, the Anti-Assignment statutes (31 U.S.C. § 3727 and 41 § U.S.C. 15), 28 U.S.C. § 516 (Conduct of Litigation Reserved to Department of Justice (DOJ), and 28 U.S.C. § 1498 (Patent and copyright cases)). The same requirement applies to contract modifications affecting the rights of the parties. (d) Audit. During the term of this Agreement: (a) If Ordering Activity's security requirements included in the Order are met, Manufacturer or its designated agent may audit Ordering Activity's facilities and records to verify Ordering Activity's compliance with this Agreement. Any such audit will take place only during Ordering Activity's normal business hours contingent upon prior written notice and adherence to any security measures the Ordering
Activity deems appropriate, including any requirements for personnel to be cleared prior to accessing sensitive facilities. Carahsoft on behalf of the Manufacturer will give Ordering Activity written notice of any non-compliance, including the number of underreported Units of Software or Services ("Notice"); or (b) if Ordering Activity’s security requirements are not met and upon Manufacturer's request, Ordering Activity will run a self-assessment with tools provided by and at the direction of Manufacturer ("Self-Assessment") to verify Ordering Activity's compliance with this Agreement.

GovDelivery Solution Subscription Agreement

This Software as a Service Solution (the “Solution”) Subscription Agreement (“Agreement”) is made by and between GovDelivery, Inc., a Minnesota corporation, with its principal place of business at 408 Saint Peter Street, Suite 600, Saint Paul, MN 55102 (“GovDelivery”) and the party procuring the Solution (Recipient). By accessing the Solution, Recipient accepts this Agreement. In the event there is a direct conflict between this Agreement and any other contract the client has for the Solution (“Contract”), the terms of the Contract shall prevail. Due to the rapidly changing nature of digital communication, this Agreement may be updated from time to time at GovDelivery’s discretion. Notification to Recipient will be via email or posting to GovDelivery’s website.

1. Subscription

GovDelivery will provide the Solution procured to Recipient pursuant to its standard policies and procedures then in effect.

2. Fees

2.1 Fees are typically charged based on potential or actual system usage together with the capabilities and support services required. Any new programs or online properties that materially change total potential system usage may require reconsideration of fees.

2.2 GovDelivery technology may use third party systems such as text messaging channels that are subject to abrupt changes in fees and other terms; GovDelivery will make every effort to accommodate Recipients within current fees and structure when such changes occur. Changes to terms of use and fees that are beyond GovDelivery’s control will, whenever possible, be made upon contract renewal.

3. Delivery and Disclaimer

3.1 All precautions that are standard in the industry are taken to increase the successful delivery; however, GovDelivery makes no representation or warranty regarding the delivery of messages.

3.2 The Solution is provided “AS IS” and as available. GovDelivery makes no warranties, either express or implied. Without limiting the generality of the foregoing, GovDelivery does not warrant that the Service will perform without error or immaterial interruption.

4. Acceptable Use Policy and Data Ownership

4.1 The Solution can only be used by personnel employed within the Recipient organization and by approved contractors.

4.2 Data sources.
   4.2.1 Data uploaded into GovDelivery must be brought in from Recipient sources (interactions with end users and opt-in contact lists).
   4.2.2 Recipients cannot upload purchased contact information into GovDelivery without GovDelivery’s written permission and professional services support for “list cleansing”.
   4.2.3 GovDelivery may require that any subset of data go through a cleansing process to support end users re-confirmation of data and contact interests. This typically occurs with large data sets and old data sets where contact information is not recently verified.
4.3 Recipients can only use GovDelivery to share content that is created by and owned by the Recipient and/or content for related organizations provided that it is in support of other organizations but not as a primary communication vehicle for other organizations that do not have a GovDelivery license. Any content deemed inappropriate for a public audience or in support of programs or topics that are unrelated to the Recipient, can be removed or limited by GovDelivery.

4.4 Data provided by Recipient and contact information gathered through Recipient’s own Web properties or activities will remain the property of Recipient, including any and all personally identifiable information (PII). GovDelivery will not release the data without the express written permission of Recipient, unless required by law.

4.5 GovDelivery Advanced Network. GovDelivery is highly effective in helping organizations work together to reach more people. Organizations expect the data obtained through this network to be protected and used for public sector purposes; therefore, transferring this data outside of GovDelivery is an unappealing risk that limits participation in the GovDelivery Network.

4.5.1 To maintain the integrity of the Solution, subscribers added to Recipient’s audience via the GovDelivery Advanced Network (“Network Subscribers”) are available for use only while Recipient is under an active subscription with GovDelivery. Network Subscribers will not transfer to Recipient upon termination of any GovDelivery Contract. Recipient shall not use or transfer any of the Network Subscribers after termination of its Contract with GovDelivery. All information related to Network Subscribers must be destroyed by Recipient within 15 calendar days of the Contract with GovDelivery terminating, unless provided for under 4.5.2 of this Agreement.

4.5.2 During the last 10 calendar days of Recipient’s Contract with GovDelivery, Recipient may send an opt-in email to Network Subscribers that shall include an explanation of Recipient’s relationship with GovDelivery terminating and that the Network Subscribers may visit Recipient’s website to subscribe to further updates from the Recipient in the future. Any Network Subscriber that does not opt-in will not be transferred with the subscriber list provided to Recipient upon termination.

4.6 GovDelivery will comply with its obligations under the UK Data Protection Act of 1998 and other applicable data privacy laws and regulations.

4.7 GovDelivery shall maintain sole ownership of the GovDelivery system and all modifications made to the system, regardless of whether these modifications are made specifically to accommodate Recipient’s content within GovDelivery.
