## 2. Scope of this Agreement

### 2.1 General

This Agreement establishes a framework for the provision of Services by Liferay to Customer. Liferay offers a variety of Services, including Subscription Services, Professional Services or Training Services. Most of these offerings are standardized and described in Appendices, which augment this Agreement and shall be incorporated by reference, as applicable, in an Order Form for the relevant Services. The parties agree that the terms of this Agreement are applicable to all orders and use by Customer of Services unless otherwise agreed by the parties in writing.

### 2.2 Business Partners

When Customer orders Services through a Business Partner, Liferay confirms that Liferay is responsible for providing the Services to Customer under the terms of this Agreement. However, Liferay is not responsible and shall not be liable for (i) the actions or omissions of Business Partners, (ii) any additional obligations not set out in this Agreement and which the Business Partners may have agreed to provide to the Customer, and/or (iii) any products or services that Business Partners supply to Customer under any separate agreements between a Business Partner and Customer.

### 2.3 Affiliates

Liferay and Customer agree that Customer or Affiliates of Customer may acquire Services from Liferay or its Affiliates by entering into an Order Form with Liferay or a Liferay Affiliate. Upon entering into such Order Form, the respective parties agree that for the purposes of that Order Form they will observe, perform and be bound by the terms of the Agreement as if they were parties to it in the place of their respective Affiliates who have originally entered into this Agreement. Accordingly, any reference in this Agreement to "Liferay" or "Customer" shall be construed solely as a reference to the specific entity (either the entities designated above as "Liferay" or "Customer" or their respective Affiliate) that executes or submits an Order Form. The parties acknowledge and agree that in the event an Order Form is executed or submitted by a Liferay Affiliate or a Customer Affiliate, adjustments to the terms of this Agreement may be made in particular, but not limited in order to address disparate tax or legal regimes in other geographic regions.

## 3. License and Ownership

### 3.1 Marks

Unless expressly stated in an Order Form, no right or license, express or implied, is granted in this Agreement for the use of any Liferay, Liferay Affiliate, Customer, Customer Affiliate or third party trade names, service marks or trademarks, provided that Customer grants Liferay and its Affiliates a license to include the name and logo of Customer in listings made available to the public for the sole purpose of identifying Customer as a customer of Liferay and provided that Customer's name and logo shall not be more prominent than any other Liferay customer's name or logo and shall not be used in any way to include any particular endorsement of Liferay Services.

### 3.2 Software

The various software items provided by Liferay as part of the Services under this Agreement are each governed by one or more End User License Agreement(s), which license terms are contained or referenced in the Appendices or the applicable Order Form.

### 3.3 Freedom to Use Ideas and Residuals

Subject to Section 9 and notwithstanding anything to the contrary contained in this Agreement or an Order Form, the ideas, methods, concepts, know-how, structures, techniques, inventions, developments, processes, discoveries, improvements and other information and materials developed in and during the course of any Order Form may be used by Liferay, in perpetuity without an obligation to account (whether financially or otherwise), in any way Liferay deems appropriate, including by or for itself or its customers or partners. Further, notwithstanding the respective confidentiality obligations of the parties, each party may use the Residuals resulting from access to or work with the other party's Confidential Information, provided that each party shall comply with its confidentiality obligations relating to the disclosure of Confidential Information to third parties as provided in this Agreement. Neither party shall have any obligation to limit or restrict the assignment of its employees or other resources or to pay royalties or account in any way for any work resulting from the use of Residuals. This Section 3.3 shall not apply to a party's use of Residuals resulting from the other party's trade secrets.

## 4. Fees, Expenses and Payment Terms

### 4.1 Unit, Business Partner Transactions

Customer agrees to pay Liferay (or, if applicable, a Business Partner) the applicable Fees for each Unit. The following Sections 4.2, 4.3 and 4.4 shall only apply to direct transactions between Liferay and Customer. In the event that Customer acquires Services from a Business Partner, Sections 4.2, 4.3 and 4.4 will not apply but the applicable fees, payment terms and taxes will be as agreed separately between Business Partner and Customer.

### 4.2 Fees and Expenses

The Fees for the Services (i) will be identified in an Order Form, (ii) unless otherwise specified in a writing accepted by Liferay, do not include, currency conversion fees, wire transfer fees or other bank payment charges ("**Transaction Fees**") or out-of-pocket expenses incurred by Liferay in order for the Services to be rendered and Customer will make payments net of all Transaction Fees, (iii) are due upon Liferay's acceptance of an Order Form or, for renewal of Services, at the start of the renewal term, and (iv) are payable in accordance with Section 4.3. The Fees for any renewal term for Services or additional Units will be assessed at the time of renewal or the additional order, respectively; provided, that for Subscription Services that renew according to Section 10.2, Liferay provides an email notification of any price changes to the email address associated with the applicable Customer account at least sixty (60) days prior to the renewal date of the Subscription Services following which such prices changes shall take effect on renewal. Liferay has no obligation whatsoever to accept any additional orders. To the extent that Customer utilizes any vendor management systems, Liferay will not be liable for any fees associated with the participation, registration or use of such systems ("**Vendor Management Fees**"). If any party is required to pay, withhold or deduct any Vendor Management Fees or Transaction Fees, Customer shall increase the sum payable to Liferay by the amount necessary to offset any such Vendor Management Fees and Transaction Fees, so that Liferay ultimately receives an amount equal to the full amount of Fees as invoiced.

#### 4.3 Payment Terms

If Customer desires credit terms with respect to the payment of Fees, Customer will reasonably cooperate with Liferay in establishing and periodically re-confirming Customer's credit-worthiness. If credit terms are provided to Customer, Liferay will invoice Customer for the Fees upon Liferay's acceptance of the applicable Order Form and upon acceptance of any future order. Unless otherwise specified in an Order Form and subject to Liferay's approval of credit terms, Customer will pay Fees and expenses, if any, no later than thirty (30) days from the date of receipt of a correct invoice; provided, however, that Fees for Training Services or any service credits are due prior to delivery. Except as otherwise expressly provided in this Agreement or an Order Form, any and all payments made by Customer pursuant to this Agreement including any Order Forms will be made without the right of set-off or chargeback and are non-refundable, provided, however, that this does not otherwise limit the remedies available to Customer under this Agreement in the event of a breach of this Agreement by Liferay. If actual payment has not been received within thirty (30) days of the date of receipt of a correct invoice, Liferay reserves the right (i) to suspend or cancel performance of all or part of the Services and/or change Customer's credit terms, if payment is not received by Liferay within ten (10) days after Liferay provided notice of non-payment to Customer and/or (ii) terminate the applicable Order Form and/or this Agreement in accordance with Section 10.3. Furthermore, Customer will reimburse Liferay for all costs (including reasonable legal fees) associated with collecting delinquent or dishonored payments by Customer that are more than thirty (30) days past due. At Liferay's option, interest charges may be added to any past due amounts at the lower of: (i) one and a half percent (1.5%) per month or (ii) the maximum amount allowed by applicable law. Payments by Customer will thereafter be applied first to accrued interest and then to the principal unpaid balance.

#### 4.4 Taxes

All consideration payable or to be provided under or in accordance with this Agreement (including any Fees) is exclusive of Taxes. Customer will pay Liferay an amount equal to any Taxes arising from or relating to this Agreement or an applicable Order Form which are paid by or are payable by Liferay and are separately itemized in Liferay's invoices to Customer. If Customer is required to withhold or deduct any portion of the payments due to Liferay, Customer will increase the sum payable to Liferay by the amount necessary so that Liferay receives an amount equal to the sum it would have received had Customer not made withholdings or deductions. If Customer is exempt from paying any or all Taxes, Customer shall provide Liferay with written evidence of such Tax exemptions issued by the applicable taxing authority. Customer shall, on at least an annual basis and upon reasonable request from Liferay, update or re-confirm such status. Liferay reserves the right to invoice for applicable Taxes, if Customer fails to maintain or update written evidence of such tax-exempt status with Liferay.

### 5. Reporting and Verification

#### 5.1 Reporting

Customer will notify Liferay in writing (or, if applicable, the Business Partner) promptly if the actual number of Units utilized by Customer exceeds the number of Units for which Customer has paid the applicable Fees. In its notice, Customer will include the number of additional Units and the date(s) on which such Units were first utilized. Liferay (or the Business Partner, as applicable) will invoice Customer for the applicable Services for such Units in accordance with the terms and conditions of the Multiple Award Schedule Contract and GSAR 552.212-4.

#### 5.2 Verification

Upon request, and, unless prior non-compliance has been established, not more than once during each twelve-months-period, Customer will self-certify and report to Liferay in a writing executed by an authorized representative of Customer with actual knowledge, the actual number of Units utilized by Customer and that Customer is using the Services in accordance with the terms of this Agreement. During the term of this Agreement and for one (1) year thereafter, Liferay or its designated agent may audit Customer's facilities and records to verify Customer's compliance with this Agreement. Any such audit will take place not more than once during each twelve-months-period (unless prior non-compliance has been established), only during Customer's normal business hours and upon no less than ten (10) days prior written notice from Liferay. Liferay will give Customer written notice of any noncompliance, including the number of underreported Units and invoice Customer for the applicable Services. The Fees for such underreported usage will be assessed at the then-current Multiple Award Schedule Contract rates. If Customer underreports the number of Units utilized by more than five percent (5%) of the number of Units for which Customer paid, Liferay will also invoice Customer for the reasonable costs it has incurred as part of the audit in the invoice for the underreported Units.

### 6. Representations and Warranties

#### 6.1 Limited Warranty

Liferay represents and warrants to Customer that: (i) the Services will be performed in a professional and workmanlike manner by qualified personnel; (ii) it has the authority to enter into this Agreement with Customer; and (iii) to Liferay's knowledge, the Services do not, at the time of delivery to Customer, include malicious code with the purpose of adversely affecting the operation, security or integrity of a system. For the breach of the warranties set forth in this Section 6.1, Customer's exclusive remedy, and Liferay's and its Affiliates' entire liability, will to the maximum extent permitted by applicable law be the re-performance of deficient Services, or if Liferay cannot substantially correct a breach in a commercially reasonable manner, Customer may terminate the relevant Services and receive a pro rata refund of the Fees paid for the deficient Services as of the effective date of termination.

#### 6.2 Disclaimer of Warranty

WITHOUT LIMITING THE GENERALITY OF THE FOREGOING DISCLAIMER, THE SERVICES AND ANY SOFTWARE PROVIDED UNDER THIS AGREEMENT ARE NOT SPECIFICALLY DESIGNED, MANUFACTURED OR INTENDED FOR USE IN (I) FACILITIES OR ENVIRONMENTS REQUIRING FAILSAFE PERFORMANCE, INCLUDING BUT NOT LIMITED TO (A) THE PLANNING, CONSTRUCTION, MAINTENANCE, CONTROL,

THIS ALLOCATION IS AN INTRINSIC PART OF, AND THE BASIS OF, THE BARGAIN BETWEEN THE PARTIES AND WITHOUT SUCH ALLOCATION, LIFERAY WOULD NOT HAVE ENTERED INTO THIS AGREEMENT. LIFERAY'S PRICES FOR SERVICES REFLECT THIS ALLOCATION OF RISKS AND THE WARRANTIES, DISCLAIMER OF WARRANTIES, EXCLUSIONS AND LIMITATION OF LIABILITY SPECIFIED HEREIN. THE LIMITATIONS, EXCLUSIONS AND DISCLAIMERS CONTAINED IN SECTIONS 6 AND 7 APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY (INCLUDING ANY LIMITED OR EXCLUSIVE REMEDY) PROVIDED FOR IN THIS AGREEMENT FAILS IN ITS ESSENTIAL PURPOSE.

The terms and conditions of these assurances (if any) are set forth in the Appendices that augment this Agreement and that are incorporated by reference in an applicable Order Form.

## 9. Confidentiality

### 9.1 Confidentiality Obligations

Liferay and Customer agree that during the term of this Agreement, as a condition to the receipt of Confidential Information hereunder, Recipient shall: (i) except as expressly permitted by this Agreement not disclose, directly or indirectly, to any third party any portion of the Confidential Information without the prior written consent of the Disclosing Party; (ii) not use or exploit the Confidential Information except for the provision of Services; (iii) upon the Disclosing Party's written request promptly return or destroy, at Recipient's option, all materials and documentation regarding the Confidential Information received hereunder save for (a) Confidential Information stored in routine back-up media not accessible during the ordinary course of business and (b) archival copies of the Confidential Information that the Recipient needs to maintain in order to comply with statutory or regulatory requirements, unless otherwise prohibited by law, provided that in

both cases (a) and (b) the Confidential Information shall remain subject to this Agreement; and (iv) exercise at least the same degree of care in safeguarding the Confidential Information as Recipient would with its own confidential information, provided that at a minimum, the Recipient must use reasonable care to protect the information. Both parties agree that obligations of confidentiality will exist for a period of two (2) years following initial disclosure of the particular Confidential Information unless terminated earlier pursuant to this Section 9 or in writing by the Disclosing Party; provided that, to the extent the Confidential Information is subject to longer confidentiality terms under mandatory applicable law (e.g., trade secrets), the Recipient will protect such Confidential Information as required by such law.

#### 9.2 Permitted Disclosures

The parties may disclose Confidential Information only to those employees, Affiliates, agents, representatives and contractors who have a "need to know" such information in order to undertake their work with respect to this Agreement or otherwise to the benefit of the parties and to its auditors and legal counsel, in each case, who are under a written obligation or otherwise obligated by law to keep such information confidential using standards of confidentiality not less restrictive than those required by this Agreement. Recipient may disclose Confidential Information, if it is required to do so by applicable law, court order, or regulation, any governmental or other regulatory authority. Before disclosing such information, Recipient will notify Disclosing Party of the disclosure requirement (if it can provide notice without breaching any legal or regulatory requirement or court order) and cooperate with Disclosing Party (at the Disclosing Party's expense) to obtain a protective order or other similar protection. If Recipient is required by law, statute, regulation or court order to make such a disclosure Recipient shall furnish only the portion of the Confidential Information that Recipient, in the opinion of its legal counsel, is legally required to disclose and shall exercise reasonable efforts to preserve for the remainder the confidentiality of the Disclosing Party's Confidential Information.

#### 9.3 Breach of Confidentiality Obligations

Each party acknowledges and agrees that due to the unique nature of Confidential Information, any breach of the obligations of this Section 9 may cause the non-breaching party irreparable harm.

### 10. Term and Termination

#### 10.1 Term and Termination of Agreement

The term of this Agreement shall begin on the Effective Date. The authority for termination of the Agreement is addressed in the Multiple Award Schedule Contract, the Contract Disputes Act, and other applicable Federal statute.

#### 10.2 Term and Termination of Order Form

The term of an Order Form begins on the date of last signature once the Order Form is fully executed ("**Order Form Effective Date**") and continues in full force and effect until the expiration of the term of the Services ordered in the Order Form (including any renewal terms) or until earlier terminated in accordance with this Agreement, the terms of the Multiple Award Schedule Contract, the Contract Disputes Act, and other applicable Federal statute. For Professional and Training Services, Customer must use any Services set forth in an Order Form during the term specified in the Order Form or within one (1) year of the Order Form Effective Date, whichever is shorter; if unused, such Services will expire.

#### 10.3 Termination

If either party materially breaches the terms of this Agreement or an Order Form, the party shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in GSAR 552.212-4(d).

#### 10.4 Survival

If this Agreement or an Order Form is terminated for any reason, Sections 3, 4, 5.2, 6.2, 7, 9, 10.4, 11, 12, 13.1, 13.4-13.6, and 13.9-13.17 of this Agreement (as they are applicable with respect to each Order Form) will survive.

### 11. Continuing Business

Nothing in this Agreement will preclude or limit Liferay from providing software, materials, or services for itself or other customers, irrespective of the possible similarity of such software, materials or services to those that might be delivered to Customer. The terms of confidentiality in Section 9 will not prohibit or restrict either party's right to develop, use or market products or services similar to or competitive with the other party; provided, however, that neither party is relieved of its obligations under this Agreement.

### 12. Governing Law, Consent to Jurisdiction

The validity, interpretation and enforcement of this Agreement (and any dispute or claim relating to it, or its formation, existence, construction, performance or termination) will be governed by and construed in accordance with United States federal law. In the event the Uniform Computer Information Transactions Act (UCITA) or any similar federal or state laws or regulations are enacted, it will not apply to this Agreement, and the governing law will remain as if such law or regulation had not been enacted.

### 13. Miscellaneous

#### 13.1 Headings

Headings to the sections of this Agreement are for convenience only and shall not have any effect on construction and interpretation of this Agreement. The parties acknowledge that they have each reviewed and participated in settling the terms of this Agreement and that they have had the opportunity to consult with legal counsel of their choice. Furthermore, the parties agree that any rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation or construction of this Agreement.

#### 13.2 Relationship Between the Parties

In all matters relating to this Agreement, Customer and Liferay shall act as independent contractors. Nothing in this Agreement or related to Liferay's performance of any Order Form will be construed to create an employment or agency relationship or a partnership between Customer (or any Customer personnel) and Liferay

(or any Liferay personnel). Each party will be solely responsible for supervision, direction, control and payment of its personnel, including applicable taxes, deductions, other payments and benefits. Liferay may subcontract Services under an Order Form to third parties or its Affiliates without the approval of Customer; provided, however, that (i) subcontractors agree to protect Customer Confidential Information subject to terms at least substantially similar with Section 9, and (ii) Liferay remains responsible to Customer for performance of its obligations hereunder. Neither party will represent that it has any authority to assume or create any obligation, express or implied, on behalf of the other party, or to represent the other party as agent, employee or in any other capacity. Nothing herein shall oblige parties to enter into any further agreement(s) with each other.

### 13.3 Assignments

This Agreement is binding on the parties to this Agreement, and other than the rights conferred on Business Partners in Sections 4.1 and 5.1, nothing in this Agreement or in any Order Form grants any other person or entity any right, benefit or remedy of any nature whatsoever, except for the parties' Affiliates as expressly provided in this Agreement. Neither party may assign, novate, transfer or otherwise dispose of any of its rights or obligations under this Agreement and/or any Order Form without the other party's prior written consent which shall not be unreasonably withheld, delayed or conditioned; the party required to give its consent may however attach reasonable conditions to its consent. Any assignment in violation of this Section 13.3 and the terms of the Multiple Award Schedule Contract is void. Each party must do all things reasonably necessary (including executing further documents) to give effect to an assignment or novation pursuant to this Section 13.3.

### 13.4 Dispute Resolution

Each party agrees to give the other a written description of any problem(s) that may arise and to make a good faith effort to amicably resolve any such problem before commencing any proceeding. Notwithstanding the foregoing, either party may take any action reasonably required to protect such party's rights including temporary restraining order(s) or preliminary or permanent injunctive relief or pursue its rights under the Contract Disputes Act and other applicable Federal statute.

### 13.5 Notices

All notices permitted or required under this Agreement shall be in English, in writing and shall be delivered in person, by certified or registered express mail, by other nationally recognized overnight delivery service, electronic mail, or facsimile. Notices shall be deemed received the day of personal delivery, or in relation to transmission by electronic mail, at the time at which the notice enters an information system which is under the control of the recipient or in relation to facsimile, on receipt by the sender of an acknowledgment or transmission report generated by the machine from which the facsimile was sent that the facsimile was successfully sent in its entirety or five (5) days after deposit in the mail or with a nationally recognized overnight delivery service. Customer shall direct all notices to Liferay under this Agreement to the following address: Liferay, Inc., Attn: Legal Department, 1400 Montefino Avenue, Diamond Bar, California 91765; E-mail: legal@liferay.com; FAX: (866) 497-9792. Unless otherwise specified on an Order Form, all notices permitted or required under this Agreement from Liferay to Customer shall be addressed to the Customer's bill-to address as specified in an Order Form which may be updated from time to time by notice from Customer to Liferay as provided in this Section.

### 13.6 Non-Solicitation

Customer agrees not to solicit, hire or entice any personnel of Liferay or its Affiliate(s) involved with the delivery of Services in connection with any Order Form during the term of and for twelve (12) months after termination or expiration of such Order Form; provided that Customer may hire an individual employed by Liferay or a Liferay Affiliate who, without other solicitation, responds to advertisements or solicitations aimed at the general public.

### 13.7 Assistance

If and to the extent that Customer agrees in an Appendix or an Order Form to provide Liferay access to Customer Resources as reasonably required by Liferay in order to provide any Services, Customer understands and agrees that (i) the completeness, accuracy of, and extent of access to, any Customer Resources provided to Liferay may affect Liferay's ability to provide such Services, and (ii) if reasonable access to Customer Resources is not provided, Liferay will be relieved from providing those Services dependent upon such access. Customer will obtain any third party consents necessary to grant Liferay access to the Customer Resources that is subject to the proprietary rights of, or controlled by, any third party, or which is subject to any other form of restriction upon granting access to the Customer Resources. In the event that Customer fails to fulfill its obligations under an applicable Appendix or Order Form in a timely manner, and this failure adversely impacts the provision of Services, Liferay will be entitled to appropriate relief, including adjusting the timing of its delivery of applicable Services.

### 13.8 Force Majeure

Neither party shall be liable to the other for failure or delay in the performance of a required obligation under this Agreement and/or Order Form if such failure or delay is caused by acts of God, wars, riots, strikes, fire, terrorist acts, flood, explosion, failure or diminishment of power or of telecommunications or data networks or services, earthquake or other natural disaster, government regulation, or other similar cause beyond such party's reasonable control (each, a "Force Majeure Event"); provided that such party gives prompt written notice of such condition and resumes its performance as soon as reasonably possible. If a Force Majeure Event continues for more than ninety (90) days continuously after the commencement of the Force Majeure event, either party may terminate the affected Order Form and/or this Agreement immediately by giving written notice to the other party and Liferay shall refund to Customer any pre-paid and unused Fees.

### 13.9 Good Business Practices

Each of the parties agrees that it will not, in connection with the performance of this Agreement, engage in any illegal, unfair, deceptive, or unethical business practices whatsoever, including, but not limited to, any act that would constitute a violation of the U.S. Foreign Corrupt Practices Act or the U.K. Bribery Act or any similar anti-corruption or bribery laws in any jurisdiction.

### 13.10 Export Compliance

Liferay may supply Customer with technical data that is subject to export control restrictions. Liferay will not be responsible for compliance by Customer with applicable export obligations or requirements for this technical data. Customer agrees to comply with all applicable export control restrictions. If Customer breaches this Section 13.10 or the export provisions of an applicable End User License Agreement, or any provision referencing these sections, Liferay may pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance.

### 13.11 Sensitive Data

The parties acknowledge and agree that except for Business Contact Information as defined in Section 13.12 (i) Customer's use of the Services and Liferay's ordinary performance of the Services do not, as of the Effective Date, require Customer to provide, disclose or give access to Liferay any Personally Identifiable Information

(as defined below) or Personal Health Information (as defined below) or similarly protected sensitive data or personal data to Liferay (collectively, "**Sensitive Data**"); and, (ii) for so long as such disclosure by Customer to Liferay of Sensitive Data is not required, Customer will take all reasonable steps to avoid any unnecessary disclosure of Sensitive Data to Liferay. In particular and without limiting the foregoing, Customer acknowledges and agrees that Customer shall not provide to Liferay any Sensitive Data, or access to Sensitive Data, through Customer's use of the Services or in any other manner. As to Customer's Sensitive Data, Customer agrees that it is solely liable for all obligations, including without limitation, confidentiality and data protection and privacy obligations and restrictions, imposed by applicable law, regulation or court order. Where Customer provides Sensitive Data to Liferay in connection with this Agreement, Customer warrants that it has obtained all the relevant consents to enable it to disclose that information to Liferay. If Customer should disclose any Sensitive Data with or without the relevant consents, to Liferay, regardless of whether such disclosure is intentional or inadvertent, Customer shall promptly notify Liferay of such disclosure.

As used in this Section, "**Personally Identifiable Information**" means any representation of information that permits the identity of an individual to whom the information applies to be reasonably inferred by either direct or indirect means. Further, Personally Identifiable Information includes information: (i) that directly identifies an individual (e.g., name, address, social security number or other identifying number or code, telephone number, email address, etc.) or (ii) that identifies specific individuals in conjunction with other data elements, i.e., indirect identification. (These data elements may include a combination of gender, race, birth date, geographic indicator, and other descriptors).

As used in this Section, "**Personal Health Information**" shall have the same meaning as set forth under the Health Insurance Portability and Accountability Act ("**HIPAA**"). Liferay is neither a "Covered Entity" nor a "Business Associate," as those terms are defined in HIPAA.

#### **13.12 Business Contact Information**

Notwithstanding Section 13.11, above, Customer agrees to allow Liferay and its Affiliates to store and use Customer business contact information provided by Customer, including names, business phone numbers, and business e-mail addresses ("Business Contact Information") anywhere it does business. Such Business Contact Information will be processed and used only in connection with Liferay's business relationship with Customer, and may be transferred worldwide between Liferay, its Affiliates, subcontractors, Business Partners, and assignees of Liferay and its subsidiaries for uses consistent with Liferay's business relationship with Customer.

#### **13.13 Severability**

If any provision or provisions of this Agreement and/or any Order Form shall be held to be invalid, illegal or unenforceable in whole or in part by any court of competent jurisdiction or other competent authority, this Agreement and/or any affected Order Form will continue to be valid and enforceable as to the other provisions and/or the remainder of the affected provision(s). The affected provision(s) will be deemed unenforceable to the minimum extent necessary to render it valid and enforceable in conformity with applicable law and parties' intent as expressed in this Agreement and/or the Order Form.

#### **13.14 Waiver**

The delay or failure of either party to exercise any rights under this Agreement will not constitute or be deemed a waiver or forfeiture of such rights. No waiver will be valid unless in writing and signed by an authorized representative of the party against whom such waiver is sought to be enforced.

#### **13.15 Entire Agreement**

This Agreement, including all Order Forms and the terms of Multiple Award Schedule Contract, sets forth the entire agreement between the parties and supersedes prior proposals, agreements and representations between them, whether written or oral, relating to the subject matter contained herein. Each party acknowledges that in entering into this Agreement it has not relied on any representation, warranty or collateral contract or other assurance except those set out therein. This Agreement and each Order Form may be changed only if agreed to in writing and signed by an authorized signatory of each party. In the event of any conflict or inconsistency between the provisions in the body of this Agreement, any Order Form, the Multiple Award Schedule Contract, and the Appendices, the terms will be interpreted as set forth in GSAR 552.212-4(s) Order of Precedence. In the event of a conflict or inconsistency between the terms of this Agreement (including any Appendices and Order Forms) and an End User License Agreement, the terms of the Agreement shall prevail between the parties to the applicable Order Form during the term of the Order Form. Notwithstanding any provision to the contrary in this Agreement, any applicable End User License Agreement will be governed by the laws set forth in the applicable End User License Agreement, without regard to any conflict of laws provisions. Any claim relating to the provision of the Services by Liferay, its Affiliates or their respective personnel will be made against Liferay alone.

#### **13.16 Counterparts and Facsimile Signature**

The Agreement or Order Form(s) may be executed in counterparts, each of which will be deemed an original and all of which will constitute one and the same document. Facsimile and electronic copies of signatures shall have the same effect as originals. If a party elects to sign the Agreement or any Order Form electronically, it expressly acknowledges and agrees that such electronic signature is the legal equivalent of, and has the same force and effect as, a manual signature.
