Customer may use this archival copy without paying an additional license only when the primary system is inoperable. Customer may not copy licensed software onto or otherwise use or make it available on any public external distributed network. If underpayments discovered exceed five (5) percent of the contract price, Customer will reimburse Entco for the auditor costs.
- 25. Confidentiality.** Information exchanged under these Terms will be treated as confidential if identified as such at disclosure or if the circumstances of disclosure would reasonably indicate such treatment. Confidential information may only be used for the purpose of fulfilling obligations or exercising rights under these Terms, and shared with employees, agents or contractors with a need to know such information to support that purpose. Confidential information will be protected using a reasonable degree of care to prevent unauthorized use or disclosure for 3 years from the date of receipt or (if longer) for such period as the information remains confidential. - 29. Limitation of Liability.** Entco's liability to Customer under these Terms is limited to the greater of \$1,000,000 or the amount payable by Customer to Entco for the relevant Order. Neither Customer nor Entco will be liable for lost revenues or profits, downtime costs, loss or damage to data or indirect, special or consequential costs or damages. This provision does not limit either party's liability for: unauthorized use of intellectual property, death or bodily injury caused by their negligence; acts of fraud; willful repudiation of these Terms; nor any liability which may not be excluded or limited by applicable law.
- 30. Force Majeure.** Neither party will be liable for performance delays nor for non-performance due to causes beyond its reasonable control, except for payment obligations.
- 31. Order of Precedence.** To the extent these Terms conflict with the Entco Packaged Support Services Agreement, the Entco Packaged Support Services Agreement shall take precedence.
