

End User Software License Agreement

For Use with GSA Schedule 70

_____, located at _____, (“Licensor”), and _____, with a principal place of business at _____ (“Customer”), agree that this End User Software License Agreement (“EULA”) shall govern any Software listed on an Order accepted by Licensor after the date of last signature below (the “Effective Date”).

1. DEFINITIONS.

A. “Documentation” means the then-current, generally available, written user manuals and online help and guides for Products provided by LICENSOR.

B. “Products” mean “Equipment” (which is the hardware delivered by LICENSOR to Customer) and/or “Software” (which is any programming code provided by LICENSOR to Customer as a standard product, also including microcode, firmware and operating system software).

C. “Product Notice” means the notice by which LICENSOR informs Customer of product-specific use rights and restrictions, warranty periods, warranty upgrades and maintenance (support) terms. Product Notices may be delivered in an LICENSOR quote, otherwise in writing and/or a posting on the applicable LICENSOR website, currently located at http://www.emc.com/products/warranty_maintenance/index.jsp

D. “Software Release” means any subsequent version of Software provided by LICENSOR after initial Delivery of Software, but does not mean a new Product.

E. “Eligible Ordering Activities” are those agencies and activities authorized under 552.238-78 Scope of Contract (Eligible Ordering Activities) and GSA Order ADM 4800.2G, February 16, 2011, to use GSA Schedule 70. An Eligible Ordering Activity is a “Customer”. Eligible Ordering Activities that are Executive agencies (as defined in FAR Subpart 2.1), including non-appropriated fund activities as prescribed in 41 CFR 101-26.000, are referred to as “Executive Customers”. All other Eligible Ordering Activities are referred to as “Other Customers”.

2. LICENSE TERMS.

A. General License Grant. LICENSOR grants to Customer a nonexclusive and nontransferable (except as otherwise permitted herein) license (with no right to sublicense) to use (i) the Software for Customer’s internal business purposes; and (ii) the Documentation related to Software for the purpose of supporting Customer’s use of the Software. Licenses granted to Customer shall, unless otherwise indicated on the LICENSOR quote, be perpetual and commence on Delivery of the physical media or the date Customer is notified of electronic availability, as applicable.

B. Licensing Models. Software is licensed for use only in accordance with the commercial terms and restrictions of the Software’s relevant licensing model, which are stated in the Product Notice and/or LICENSOR quote. For example, the licensing model may provide that Software is licensed for use solely (i) for a certain number of licensing units; (ii) on or in connection with certain equipment, or a CPU, network or other

hardware environment; and/or (iii) for a specified amount of storage capacity. Microcode, firmware or operating system software required to enable the Equipment with which it is shipped to perform its basic functions, is licensed for use solely on such Equipment.

C. License Restrictions. All Software licenses granted herein are for use of object code only. Customer is permitted to copy the Software as necessary to install and run it in accordance with the license, but otherwise for back-up purposes only. Customer may copy Documentation insofar as reasonably necessary in connection with Customer’s authorized internal use of the Software. Customer shall not, without LICENSOR’s prior written consent (i) use Software in a service bureau, application service provider or similar capacity; or (ii) disclose to any third party the results of any comparative or competitive analyses, benchmark testing or analyses of LICENSOR Products performed by or on behalf of Customer; (iii) make available Software in any form to anyone other than Customer’s employees or contractors; or (iv) transfer Software to an Affiliate or a third party.

D. Software Releases. Software Releases shall be subject to the license terms applicable to Software.

E. Audit Rights. LICENSOR shall have the right to audit Customer’s usage of Software to confirm compliance with the agreed terms. Such audit is subject to reasonable advance notice by LICENSOR and shall not unreasonably interfere with Customer’s business activities. Customer will provide LICENSOR with the support required to perform such audit and will, without prejudice to other rights of LICENSOR, address any non-compliant situations identified by the audit by forthwith procuring additional licenses. If the Customer is an Executive Customer non-compliant situations are subject to paragraph 2.F. Disputes.

F. Disputes. For a EULA with an Executive Customer LICENSOR shall comply with FAR 52.212-4 (d) Disputes for requests for equitable adjustment, claims, appeals or actions arising under this EULA, including Executive Customer breaches of the terms governing use of the Software. EULA’s with Other Customers are not subject FAR 52.212-4 (d) Disputes.

G. Reserved Rights. All rights not expressly granted to Customer are reserved. In particular, no title to, or ownership of, the Software is transferred to Customer. Customer shall reproduce and include copyright and other proprietary notices on and in any copies of the Software. Unless expressly permitted by applicable mandatory law, Customer shall not modify, enhance, supplement, create derivative works from, reverse assemble, reverse engineer, decompile or otherwise reduce to human readable form the Software without the manufacturer’s prior

written consent, nor shall Customer permit any third party to do the same.

H. Other License Terms. If a particular Product is provided with a "clickwrap" agreement included as part of the installation and/or download process, or a "shrinkwrap" agreement included in the packaging for the Product, the terms of such clickwrap or shrinkwrap agreement shall, in case of conflict with the terms of this EULA, (i) prevail with regard to Products for which LICENSOR is not the licensor; and (ii) not prevail with regard to Products for which LICENSOR is the licensor.

3. PRODUCT WARRANTY.

A. Software Warranty. LICENSOR warrants that Software will substantially conform to the applicable Documentation for such Software and that any media will be free from manufacturing defects in materials and workmanship until the expiration of the warranty period. LICENSOR does not warrant that the operation of Software shall be uninterrupted or error free, that all defects can be corrected, or that Software meets Customer's requirements, except if expressly warranted by LICENSOR in its quote. Support Services for Software are available for separate purchase and the Support Options are identified at the Product Notice.

B. Warranty Duration. Unless otherwise stated on the LICENSOR quote, the warranty period for Products shall be as set forth at the Product Notice. Equipment warranty commences upon Delivery. Software warranty commences upon Delivery of the media or the date Customer is notified of electronic availability, as applicable. Equipment upgrades are warranted from Delivery until the end of the warranty period for the Equipment into which such upgrades are installed.

C. Customer Remedies. LICENSOR's entire liability and Customer's exclusive remedies under the warranties described in this section shall be for LICENSOR, at its option, to remedy the non-compliance or to replace the affected Product. If LICENSOR is unable to effect such within a reasonable time, then LICENSOR shall refund the amount paid by Customer for the Product concerned as depreciated on a straight line basis over a five (5) year period, upon return of such Product to LICENSOR. All replaced Products or portions thereof shall be returned to and become the property of LICENSOR. If such replacement is not so returned, Customer shall pay LICENSOR's then current spare parts price therefore. If the Customer is an Executive Customer, LICENSOR claims for non-returned Products are subject to paragraph 2.F. Disputes.

LICENSOR shall have no liability hereunder after expiration of the applicable warranty period.

D. Warranty Exclusions. Warranty does not cover problems that arise from (i) accident or neglect by Customer or any third party; (ii) any third party items or services with which the Product is used or other causes beyond LICENSOR's control; (iii) installation, operation or use not in accordance with LICENSOR's instructions or the applicable Documentation; (iv) use in an environment, in a manner or for a purpose for which the Product was not designed; (v) modification, alteration or repair by anyone other than LICENSOR or its authorized representatives; or (vi) in case of Equipment only, causes not attributable to normal wear and tear. LICENSOR has no obligation whatsoever for Software installed or used beyond the licensed use, for Equipment which was moved from the

Installation Site without LICENSOR's consent or whose original identification marks have been altered or removed. Removal or disablement of Equipment's remote support capabilities during the warranty period requires reasonable notice to LICENSOR. Such removal or disablement, or improper use or failure to use applicable Customer Support Tools shall be subject to a surcharge in accordance with LICENSOR's then current standard rates.

E. No Further Warranties. Except for the warranty set forth in this EULA, LICENSOR (INCLUDING ITS SUPPLIERS) MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES, WRITTEN OR ORAL. IN SO FAR AS PERMITTED UNDER APPLICABLE LAW, ALL OTHER WARRANTIES ARE SPECIFICALLY EXCLUDED, INCLUDING WARRANTIES ARISING BY STATUTE, COURSE OF DEALING OR USAGE OF TRADE.

4. INDEMNITY. LICENSOR shall (i) defend Customer against any third party claim that a Product or Service infringes a patent or copyright enforceable in a country that is a signatory to the Berne Convention; and (ii) pay the resulting costs and damages finally awarded against Customer by a court of competent jurisdiction or the amounts stated in a written settlement negotiated by LICENSOR. The foregoing obligations are subject to the following: Customer (a) notifies LICENSOR promptly in writing of such claim; (b)(1) if Customer is an entity for which the Department of Justice (DoJ) has the statutory right to exercise sole control over the defense, DoJ shall have that right, provided that DoJ shall consult appropriately with LICENSOR and/or EMC Corporation, and LICENSOR and/or EMC Corporation shall have the right to intervene through its own counsel and at its own expense; (b)(2) for all other Customers, Customer grants LICENSOR sole control over the defense and settlement thereof; (c) reasonably cooperates in response to an LICENSOR request for assistance; and (d) is not in material breach of this EULA. Should any such Product or Service become, or in LICENSOR's opinion be likely to become, the subject of such a claim, LICENSOR may, at its option and expense, (1) procure for Customer the right to make continued use thereof; (2) replace or modify such so that it becomes non-infringing; (3) request return of the Product and, upon receipt thereof, refund the price paid by Customer, less straight-line depreciation based on a five (5) year useful life for Products; or (4) discontinue the Service and refund the portion of any pre-paid Service fee that corresponds to the period of Service discontinuation. LICENSOR shall have no liability to the extent that the alleged infringement arises out of or relates to: (A) the use or combination of a Product or Service with third party products or services; (B) use for a purpose or in a manner for which the Product or Service was not designed; (C) any modification made by any person other than LICENSOR or its authorized representatives; (D) any modifications to a Product or Service made by LICENSOR pursuant to Customer's specific instructions; (E) any technology owned or licensed by Customer from third parties; or (F) use of any older version of the Software when use of a newer Software Release made available to Customer would have avoided the infringement. THIS SECTION STATES CUSTOMER'S SOLE AND EXCLUSIVE REMEDY AND LICENSOR'S ENTIRE LIABILITY FOR THIRD PARTY INFRINGEMENT CLAIMS.

5. LIMITATION OF LIABILITY.

A. Limitation on Direct Damages. EXCEPT WITH RESPECT TO CLAIMS ARISING UNDER SECTION 4 ABOVE, LICENSOR'S TOTAL LIABILITY AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR ANY CLAIM OF ANY TYPE WHATSOEVER, ARISING OUT OF PRODUCT OR SERVICE PROVIDED HEREUNDER, SHALL BE LIMITED TO PROVEN DIRECT DAMAGES CAUSED BY LICENSOR'S SOLE NEGLIGENCE IN AN AMOUNT NOT TO EXCEED (i) US\$1,000,000, FOR DAMAGE TO REAL OR TANGIBLE PERSONAL PROPERTY; AND (ii) THE PRICE PAID BY CUSTOMER TO LICENSOR FOR THE SPECIFIC SERVICE (CALCULATED ON AN ANNUAL BASIS, WHEN APPLICABLE) OR PRODUCT FROM WHICH SUCH CLAIM ARISES, FOR DAMAGE OF ANY TYPE NOT IDENTIFIED IN (i) ABOVE OR OTHERWISE EXCLUDED HEREUNDER.

B. No Indirect Damages. EXCEPT WITH RESPECT TO CLAIMS REGARDING VIOLATION OF LICENSOR'S INTELLECTUAL PROPERTY RIGHTS OR CLAIMS ARISING UNDER SECTION 4 ABOVE, NEITHER CUSTOMER NOR LICENSOR SHALL HAVE LIABILITY TO THE OTHER FOR ANY SPECIAL, CONSEQUENTIAL, EXEMPLARY, INCIDENTAL, OR INDIRECT DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, REVENUES, DATA AND/OR USE), EVEN IF ADVISED OF THE POSSIBILITY THEREOF.

C. Regular Back-ups. As part of its obligation to mitigate damages, Customer shall take reasonable data back-up measures. In particular, Customer shall provide for a daily back-up process and back-up the relevant data before LICENSOR performs any remedial, upgrade or other works on Customer's production systems. To the extent LICENSOR's liability for loss of data is not anyway excluded under this EULA, LICENSOR shall in case of data losses only be liable for the typical effort to recover the data which would have accrued if Customer had appropriately backed up its data.

D. Limitation Period. Unless otherwise required by applicable law, the limitation period for claims for damages shall be eighteen (18) months after the cause of action accrues, unless statutory law provides for a shorter limitation period.]

E. Suppliers. The foregoing limitations shall also apply in favor of LICENSOR's suppliers.

6. EXPORT CONTROL. The Products, Services and the technology included therein provided under this EULA are subject to governmental restrictions on (i) exports from the U.S.; (ii) exports from other countries in which such Products and technology included therein may be produced or located; (iii) disclosures of technology to foreign persons; (iv) exports from abroad of derivative products thereof; and (v) the importation and/or use of such Products and technology included therein outside of the United States or other countries (collectively, "**Export Laws**"). Customer shall comply with all Export Laws. Diversion contrary to U.S. law or other Export Laws is expressly prohibited.

7. TERM AND TERMINATION. This EULA takes effect on the Effective Date and continues until terminated in accordance with the following:

A. EULAs with Executive Customers may be (i) terminated for cause pursuant to FAR 52.212-4(m) or (ii) for convenience pursuant to FAR 52.212-4 (l).

B. For EULAs with Other Customers LICENSOR may terminate licenses for cause if Customer breaches the terms governing use of the Software and fails to cure within thirty (30) days after receipt of LICENSOR's written notice thereof. Upon termination of a license, Customer shall cease all use and return or certify destruction of the applicable Software (including copies) to LICENSOR. Any provision that by its nature or context is intended to survive any termination or expiration, including but not limited to provisions relating to payment of outstanding fees, confidentiality and liability, shall so survive.

8. MISCELLANEOUS.

A. References. LICENSOR may identify Customer for reference purposes unless and until Customer expressly objects in writing.

B. Notices. Any notices hereunder shall be in writing.

C. Entire Agreement. This EULA and each purchase order (i) comprise the complete statement of the agreement of the parties with regard to the subject matter thereof; and (ii) may be modified only in writing. All terms of any purchase order or similar document provided by Customer, including but not limited to any pre-printed terms thereon and any terms that are inconsistent or conflict with this EULA and/or LICENSOR quote, shall be null and void and of no legal force or effect, even if LICENSOR does not expressly reject to such terms when accepting a purchase order or similar document provided by Customer; however, terms in such document deviating from a LICENSOR quote do become binding upon the parties when expressly accepted by LICENSOR in writing in an order acknowledgement or similar document.

D. Force Majeure. Except for payment of fees, neither party shall be liable under this EULA because of a failure or delay in performing its obligations due to any force majeure event, including strikes, riots, insurrection, terrorism, fires, natural disasters, acts of God, war, governmental action, or any other cause which is beyond the reasonable control of such party.

E. Assignment. Customer shall not assign this EULA or a purchase order or any right herein or delegate any performance without LICENSOR's prior written consent, which consent shall not be unreasonably withheld. LICENSOR may use LICENSOR Affiliates or other sufficiently qualified subcontractors to provide Services to Customer, provided that LICENSOR shall remain responsible to Customer for the performance thereof.

F. Governing Law. To the extent not preempted by federal law or regulation, this EULA is governed by the laws of the Commonwealth of Massachusetts. To the extent permitted by law, the courts of the Commonwealth of Massachusetts shall be exclusively competent to rule on disputes arising out of or in connection with this EULA and all purchase orders. The U.N. Convention on Contracts for the International Sale of Goods does not apply.

G. Waiver. No waiver shall be deemed a waiver of any prior or subsequent default hereunder.
