Carahsoft Rider to Manufacturer Commercial Supplier Agreements
(for U.S. Government End Users)
Revised 20161213

1. **Scope.** This Carahsoft Rider and the Manufacturer’s Commercial Supplier Agreement (CSA) establish the terms and conditions enabling Carahsoft to provide Software and Services to U.S. Government agencies (the "Client" or “Licensee”).

2. **Applicability.** The terms and conditions in the attached Manufacturer’s CSA are hereby incorporated by reference to the extent that they are consistent with Federal Law (e.g., the Anti-Deficiency Act (31 U.S.C. § 1341(a) (1) (B)), the Contracts Disputes Act of 1978 (41 U.S.C. § 601-613), the Prompt Payment Act, the Anti-Assignment statutes (31 U.S.C. § 3727 and 41 § U.S.C. § 15), 28 U.S.C. § 516 (Conduct of Litigation Reserved to Department of Justice (DOJ), and 28 U.S.C. § 1498 (Patent and copyright cases)). To the extent the terms and conditions in the Manufacturer's CSA is inconsistent with the Federal Law (See FAR 12.212(a)), they shall be deemed deleted and unenforceable under any resultant orders under Carahsoft’s Multiple Award Schedule Contract, GS-35F-0119Y, including, but not limited to the following:

(a) **Contracting Parties.** The Government customer (Licensee) is the “Ordering Activity”, defined as an entity authorized to order under Government contracts as set forth in General Services Administration Order OGP 4800.2I, as may be revised from time to time. The Licensee cannot be an individual because any implication of individual licensing triggers the requirements for legal review by Federal Employee unions. Conversely, because of competition rules, the contractor must be defined as a single entity even if the contractor is part of a corporate group. The Government cannot contract with the group, or in the alternative with a set of contracting parties.

(b) **Changes to Work and Delays.** Subject to General Services Administration Acquisition Regulation (GSAR) 552.238-81 Modifications (Federal Supply Schedule) (APR 2014) (Alternate I – APR 2014) and GSAR 552.212 -4 (f) Contract Terms and Conditions – Commercial Items, Excusable Delays (MAY 2015) (Alternate II – JUL 2009) (FAR Deviation – JUL 2015) (Tailored) regarding which of the GSAR and the FAR provisions shall take precedence.

(c) **Contract Formation.** Subject to FAR Sections 1.601(a) and 43.102, the Government Order must be signed by a duly warranted contracting officer, in writing. The same requirement applies to contract modifications affecting the rights of the parties. All terms and conditions intended to bind the Government must be included within the contract signed by the Government.
(d) **Audit.** During the term of this CSA: (a) If Ordering Activity's security requirements included in the Order are met, Manufacturer or its designated agent may audit Ordering Activity's facilities and records to verify Ordering Activity's compliance with this CSA. Any such audit will take place only during Ordering Activity's normal business hours contingent upon prior written notice and adherence to any security measures the Ordering Activity deems appropriate, including any requirements for personnel to be cleared prior to accessing sensitive facilities. Carahsoft on behalf of the Manufacturer will give Ordering Activity written notice of any non-compliance, including the number of underreported Units of Software or Services ("Notice"); or (b) If Ordering Activity’s security requirements are not met and upon Manufacturer's request, Ordering Activity will run a self-assessment with tools provided by and at the direction of Manufacturer ("Self-Assessment") to verify Ordering Activity's compliance with this CSA.

(e) **Termination.** Clauses in the Manufacturer’s CSA referencing suspension, termination or cancellation of the Manufacturer’s CSA, the License, or the Customer’s Account are hereby deemed to be deleted. Termination, suspension or cancellation shall be governed by the GSAR 552.212-4 and the Contract Disputes Act, 41 U.S.C. §§ 601-613, subject to the following exceptions:

Carahsoft may request cancellation or termination of the CSA on behalf of the Manufacturer if such remedy is granted to it after conclusion of the Contracts Disputes Act dispute resolutions process referenced in Section (q) below or if such remedy is otherwise ordered by a United States Federal Court.

(f) **Consent to Government Law / Consent to Jurisdiction.** Subject to the Contracts Disputes Act of 1978 (41. U.S.C §§ 7101-7109) and Federal Tort Claims Act (28 U.S.C. §1346(b)). The validity, interpretation and enforcement of this Rider and the CSA will be governed by and construed in accordance with the laws of the United States. All clauses in the Manufacturer’s CSA referencing equitable remedies are deemed not applicable to the Government order and are therefore deemed to be deleted.

(g) **Force Majeure.** Subject to GSAR 552.212 -4 (f) Contract Terms and Conditions – Commercial Items, Excusable Delays (MAY 2015) (Alternate II – JUL 2009) (FAR Deviation – JUL 2015) (Tailored). Unilateral Termination by the Contractor does not apply to a Government order and all clauses in the Manufacturer’s CSA referencing unilateral termination rights of the Manufacturer’s CSA are hereby deemed to be deleted.

(h) **Assignment.** All clauses regarding Assignment are subject to FAR Clause 52.232-23, Assignment of Claims (MAY 2014) and FAR 42.12 Novation and Change-of-Name Agreements, and all clauses governing Assignment in the Manufacturer’s CSA are hereby deemed to be deleted.

(i) **Waiver of Jury Trial.** All clauses referencing waiver of Jury Trial are subject to FAR Clause 52.233-1, Disputes (MAY 2014), and all clauses governing waiver of jury trial in the Manufacturer’s CSA are hereby deemed to be deleted.
(j) **Customer Indemnities.** All of the Manufacturer’s CSA clauses referencing Customer Indemnities are hereby deemed to be deleted.

(k) **Contractor Indemnities.** All of the Manufacturer’s CSA clauses that (1) violate DOJ’s right (28 U.S.C. 516) to represent the Government in any case and/or (2) require that the Government give sole control over the litigation and/or settlement, are hereby deemed to be deleted.

(l) **Renewals.** All of the Manufacturer’s CSA clauses that violate the Anti-Deficiency Act (31 U.S.C. 1341, 41 U.S.C. 11) ban on automatic renewal are hereby deemed to be deleted.

(m) **Future Fees or Penalties.** All of the Manufacturer’s CSA clauses that violate the Anti-Deficiency Act (31 U.S.C. 1341, 41 U.S.C. 11), which prohibits the Government from paying any fees or penalties beyond the Contract amount, unless specifically authorized by existing statutes, such as the Prompt Payment Act, or Equal Access To Justice Act 31 U.S.C. 3901, 5 U.S.C. 504 are hereby deemed to be deleted.

(o) **Third Party Terms.** Subject to the actual language agreed to in the Order by the Contracting Officer. Any third party manufacturer will be brought into the negotiation, or the components acquired separately under Federally-compatible agreements, if any. Contractor indemnities do not constitute effective migration.

(p) **Installation and Use of the Software.** Installation and use of the software shall be in accordance with the Rider and Manufacturer’s CSA, unless an Ordering Activity determines that it requires different terms of use and Manufacturer agrees in writing to such terms in a valid task order placed pursuant to the Government contract.

(q) **Dispute Resolution and Venue.** Any disputes relating to the Manufacturer’s CSA and to this Rider shall be resolved in accordance with the FAR, the GSAR and the Contract Disputes Act, 41 U.S.C. §§ 7101-7109. See GSAR 552.212-4 (w) (1) (iii) Contract Terms and Conditions – Commercial Items, Law and Disputes (MAY 2015) (Alternate II – JUL 2009) (FAR Deviation – JUL 2015) (Tailored). The Ordering Activity expressly acknowledges that Carahsoft, as the vendor selling the Manufacturer’s licensed software, shall have standing under the Contract Disputes Act to bring such claims that arise out of licensing terms incorporated into Multiple Award Schedule Contract GS-35F-0119Y.
(r) **Limitation of Liability: Subject to the following:**

Carahsoft, Manufacturer and Ordering Activity shall not be liable for any indirect, incidental, special, or consequential damages, or any loss of profits, revenue, data, or data use. Further, Carahsoft, Manufacturer and Ordering Activity shall not be liable for punitive damages except to the extent this limitation is prohibited by applicable law. This clause shall not impair the U.S. Government’s right to recover for fraud or crimes arising out of or related to this Government Contract under any federal fraud statute, including the False Claims Act, 31 U.S.C. §§ 3729-3733.

(s) **Advertisements and Endorsements.** Unless specifically authorized by an Ordering Activity in writing, such use of the name or logo of any U.S. Government entity is prohibited.

(t) **Public Access to Information.** Manufacturer agrees that the CSA and this Rider contain no confidential or proprietary information and acknowledges the CSA and this Rider will be available to the public.

(u) **Confidentiality.** Any provisions that require the Licensee to keep certain information confidential are subject to the Freedom of Information Act, 5 U.S.C. §552, and any order by a United States Federal Court. The Licensee may provide information to other components of the United States Government pursuant to proper requests for such information as permitted by law, regulation or policy (e.g., disclosures to Congress, auditors, Inspectors General, etc.).

TASER Assurance Plan Appendix

For the purpose of Carahsoft’s GSA Schedule 70, TAP is only available for TASER’s Unlimited or Ultimate software licensing. TAP is available and included with certain hardware purchases, but Taser hardware items must be purchased as open market items or through another contract vehicle. As such, the Taser Assurance Plan (TAP) for GSA schedule 70 sales is as follows:

The TASER Assurance Plan or “TAP” has been purchased as part of the Quote attached to this Agreement. TAP provides hardware extended warranty coverage, Spare Products, and Upgrade Models at the end of the TAP Term. TAP only applies to the TASER Product listed in the Quote with the exception of any initial hardware or any software services offered for, by, or through the Evidence.com website. The Agency may not buy more than one TAP for any one covered Product.

1 **TAP Warranty Coverage.** TAP includes the extended warranty coverage described in the current hardware warranty. TAP warranty coverage starts at the beginning of the TAP Term and continues as long as the Agency continues to pay the required annual fees for TAP. The Agency may not have both an optional extended warranty and TAP on the Axon camera/Dock product. TAP for the Axon camera products also includes free replacement of the Axon flex controller battery and Axon body battery during the TAP Term for any failure that is not specifically excluded from the Hardware Warranty.

2 **TAP Term.** TAP Term start date is based upon the shipment date of the hardware covered under TAP. If the shipment of the hardware occurred in the first half of the month, then the Term starts on the 1st of the following month. If the shipment of the hardware occurred in the second half of the month, then the Term starts on the 15th of the following month.

3 **SPARE Product.** TASER will provide a predetermined number of spare Products for those hardware items and accessories listed in the Quote (collectively the “Spare Products”) to keep at the Agency location to replace broken or non-functioning units in order to improve the availability of the units to officers in the field. The Agency must return to TASER, through TASER’s RMA process, any broken or non-functioning units for which a Spare Product is utilized, and TASER will repair or replace the non-functioning unit with a replacement product. TASER warrants it will repair or replace the unit which fails to function for any reason not excluded by the TAP warranty coverage, during the TAP Term with the same product or a like product, at TASER’s sole option. The Agency may not buy a new TAP for the replacement product or the Spare Product.

3.1. Within 30 days of the end of the TAP Term the Agency must return to TASER all Spare Products. The Agency will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products not returned to TASER. If all the Spare Products are returned to TASER, then TASER will refresh the allotted number of Spare Products with Upgrade Models if the Agency purchases a new TAP for the Upgrade Models.

4 **TAP Officer Safety Plan (OSP).** The Officer Safety Plan includes the benefits of the Evidence.com Unlimited License (which includes unlimited data storage for Axon camera and Axon Capture generated data in the Evidence.com Services and TAP for the Axon Camera), TAP for Evidence.com Dock, one TASER brand CEW with a 4-year Warranty, one CEW battery, and one CEW holster. At any time during the OSP term the Agency may choose to receive the CEW, battery and holster by providing a $0 purchase order. At the time elected to receive the CEW, the Agency may choose from any current CEW model offered. The OSP plan must be purchased for a period of 5 years. If the OSP is terminated before the end of the term and the Agency did not receive a CEW, battery or holster, then we will have no obligation to reimburse for those items not received. If OSP is terminated before the end of the term and the Agency received a CEW, battery and/or holster then (a) the Agency will be invoiced for the remainder of the MSRP for the
Products received and not already paid as part of the OSP before the termination date; or (b) only in the case of termination for non-appropriations, return the CEW, battery and holster to TASER within 30 days of the date of termination.

5 **TAP Upgrade Models.** Upgrade Models are to be provided as follows during and/or after the TAP Term: (i) an upgrade will provided in year 3 if the Agency purchased 3 years of Evidence.com services with Ultimate Licenses or Unlimited Licenses and all TAP payments are made; or (ii) 2.5 years after the Effective Date and once again 5 years after the Effective Date if the Agency purchased 5 years of Evidence.com services with an Ultimate License or Unlimited Licenses or OSP and made all TAP payments.

For CEW Upgrade Models TASER will upgrade Products, free of charge, with a new unit that is the same product or a like product, in the same weapon class ("Upgrade Model"). For example: (a) if the Product is a single bay CEW, then Agency may choose any single bay CEW model as the Agency's Upgrade Model; (b) if the Product is a multibay CEW, then Agency may choose any multi-bay CEW model as the Upgrade Model; and (c) if the Covered Product is a TASER CAM recorder, then the Agency may choose any TASER CAM model as an Upgrade Model. To continue TAP coverage for the Upgrade Model, the Agency must elect TAP and will be invoiced for the first year payment at the time the upgrade is processed. The TAP payment amount will be the rate then in effect for TAP. Agency may elect to receive the Upgrade Model anytime in the 5th year of the TAP term as long as the final payment has been made.

Any products replaced within the six months prior to the scheduled upgrade will be deemed the Upgrade Model. Thirty days after the Upgrade Models are received, the Agency must return the products to TASER or TASER will deactivate the serial numbers for the products received unless the Agency purchases additional Evidence.com licenses for the Axon camera products the Agency is keeping. The Agency may buy a new TAP for any Upgraded Model.

5.1. **TAP Axon Camera Upgrade Models.**

5.1.1. If the Agency purchased TAP for Axon Cameras as a stand-alone service, then TASER will upgrade the Axon camera (and controller if applicable), free of charge, with a new on-officer video camera that is the same product or a like product, at TASER's sole option. TASER makes no guarantee that the Upgrade Model will utilize the same accessories or Dock. If the Agency would like to change product models for the Upgrade Model, then the Agency must pay the price difference in effect at the time of the upgrade between the MSRP for the offered Upgrade Model and the MSRP for the model that will be acquired. No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Upgrade Model.

5.1.2. If the Agency purchased Unlimited License or OSP, then TASER will upgrade the Axon camera (and controller if applicable), free of charge, with a new on-officer video camera of the Agency's choice.

5.2. **TAP Dock Upgrade Models.** TASER will upgrade the Dock free of charge, with a new Dock with the same number of bays that is the same product or a like product, at TASER's sole option. If the Agency would like to change product models for the Upgrade Model or add additional bays, then the Agency must pay the price difference in effect at the time of the upgrade between the MSRP for the offered Upgrade Model and the MSRP for the model desired. No refund will be provided if the MSRP of the new model is less than the MSRP of the offered Upgrade Model.

6 **TAP Termination.** If an invoice for TAP is more than 30 days past due or the Agency defaults on its payments for the Evidence.com services then TASER may terminate TAP and all outstanding Product related TAPs. TASER will provide notification that TAP coverage is
terminated. Once TAP coverage is terminated for any reason, then:

6.1. TAP coverage will terminate as of the date of termination and no refunds will be given.

6.2. TASER will not and has no obligation to provide the free Upgrade Models.

6.3. The Agency will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products provided under TAP. If the Spare Products are returned within 30 days of the Spare Product invoice date, credit will be issued and applied against the Spare Product invoice.

6.4. The Agency will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future TAP.

6.5. If the Agency received Axon Products free of charge and TAP is terminated before the end of the term then (a) the Agency will be invoiced for the remainder of the MSRP for the Products received and not already paid as part of the TAP before the termination date; or (b) only in the case of termination for non-appropriations, return the Products to TASER within 30 days of the date of termination.

6.6. If the Agency made two or more annual TAP payments, then the Agency will: retain the extended warranty coverage; receive a 50% credit for the difference between TAP payments paid prior to termination and the extended warranty price then in effect for each CEW covered under TAP; and have until the date listed on the termination notification to apply that credit toward the purchase of any TASER products. The credit amount available and expiration date of the credit will be provided as part of the termination notification.

6.7. If the Agency made only one annual TAP payment, then the Agency may elect to pay the difference between the price for the extended warranty then in effect and the payments made under TAP to continue extended warranty coverage. This election must be made when written notice of cancellation is submitted by the Agency. If the Agency does not elect to continue with an extended warranty, then warranty coverage will terminate as of the date of cancellation/termination.

6.8. If the Agency received a credit towards the first TAP payment as part of a trade-in promotion, then upon cancellation/termination the Agency will be assessed a $100 cancellation fee for each covered Product.

2. **Scope of Integration Services.** The project scope will consist of the development of an integration module that allows the EVIDENCE.com services to interact with the Agency's Record Management System (RMS) so that Agency's licensees may use the integration module to automatically tag the AXON® recorded videos with a case ID, category, and location. The integration module will allow the Integration Module License holders to auto populate the AXON video meta-data saved to the EVIDENCE.com services based on data already maintained in the Agency's RMS. TASER is responsible to perform only the Integration Services described in this SOW and any additional services discussed or implied that are not defined explicitly by this SOW will be considered out of the scope and may result in additional fees.

   4.3 **Warranty.** TASER warrants that it will perform the Integration Services in a good and workmanlike manner.

6.8 Providing TASER with remote access to the Agency's Evidence.com account when required for TASER to perform the Integration Services;

6.9 Notifying TASER of any network or machine maintenance that may impact the performance of the integration module at the Agency; and

6.10 Ensuring the reasonable availability by phone or email of knowledgeable staff and personnel, system administrators, and operators to provide timely, accurate, complete, and up-to-date documentation and information to TASER (these contacts are to provide background information and clarification of information required to perform the Integration Services).

7 **Authorization to Access Computer Systems to Perform Services.** Agency authorizes TASER to access Agency’s relevant computers, network systems, and RMS solely for the purpose of performing the Integration Services. TASER will work diligently to identify as soon as reasonably practicable the resources and information TASER expects to use, and will provide an initial itemized list to Agency.
