1. **Scope.** This Carahsoft Rider and the Manufacturer’s Commercial Supplier Agreement (CSA) establish the terms and conditions enabling Carahsoft to provide Software and Services to U.S. Government agencies (the "Client" or “Licensee”).

2. **Applicability.** The terms and conditions in the attached Manufacturer’s CSA are hereby incorporated by reference to the extent that they are consistent with Federal Law (e.g., the Anti-Deficiency Act (31 U.S.C. § 1341(a) (1) (B)), the Contracts Disputes Act of 1978 (41. U.S.C. § 601-613), the Prompt Payment Act, the Anti-Assignment statutes (31 U.S.C. § 3727 and 41 § U.S.C. 15), 28 U.S.C. § 516 (Conduct of Litigation Reserved to Department of Justice (DOJ), and 28 U.S.C. § 1498 (Patent and copyright cases)). To the extent the terms and conditions in the Manufacturer's CSA is inconsistent with the Federal Law (See FAR 12.212(a)), they shall be deemed deleted and unenforceable under any resultant orders under Carahsoft’s Multiple Award Schedule Contract, GS-35F-0119Y, including, but not limited to the following:

(a) **Contracting Parties.** The Government customer (Licensee) is the “Ordering Activity”, defined as an entity authorized to order under Government contracts as set forth in General Services Administration Order OGP 4800.2I, as may be revised from time to time. The Licensee cannot be an individual because any implication of individual licensing triggers the requirements for legal review by Federal Employee unions. Conversely, because of competition rules, the contractor must be defined as a single entity even if the contractor is part of a corporate group. The Government cannot contract with the group, or in the alternative with a set of contracting parties.

(b) **Changes to Work and Delays.** Subject to General Services Administration Acquisition Regulation (GSAR) 552.238-81 Modifications (Federal Supply Schedule) (APR 2014) (Alternate I – APR 2014) and GSAR 552.212-4 (f) Contract Terms and Conditions – Commercial Items, Excusable Delays (MAY 2015) (Alternate II – JUL 2009) (FAR Deviation – JUL 2015) (Tailored) regarding which of the GSAR and the FAR provisions shall take precedence.

(c) **Contract Formation.** Subject to FAR Sections 1.601(a) and 43.102, the Government Order must be signed by a duly warranted contracting officer, in writing. The same requirement applies to contract modifications affecting the rights of the parties. All terms and conditions intended to bind the Government must be included within the contract signed by the Government.
(d) **Audit.** During the term of this CSA: (a) If Ordering Activity's security requirements included in the Order are met, Manufacturer or its designated agent may audit Ordering Activity's facilities and records to verify Ordering Activity's compliance with this CSA. Any such audit will take place only during Ordering Activity's normal business hours contingent upon prior written notice and adherence to any security measures the Ordering Activity deems appropriate, including any requirements for personnel to be cleared prior to accessing sensitive facilities. Carahsoft on behalf of the Manufacturer will give Ordering Activity written notice of any non-compliance, including the number of underreported Units of Software or Services ("Notice"); or (b) If Ordering Activity’s security requirements are not met and upon Manufacturer's request, Ordering Activity will run a self-assessment with tools provided by and at the direction of Manufacturer ("Self-Assessment") to verify Ordering Activity's compliance with this CSA.

(e) **Termination.** Clauses in the Manufacturer’s CSA referencing suspension, termination or cancellation of the Manufacturer’s CSA, the License, or the Customer’s Account are hereby deemed to be deleted. Termination, suspension or cancellation shall be governed by the GSAR 552.212-4 and the Contract Disputes Act, 41 U.S.C. §§ 601-613, subject to the following exceptions:

Carahsoft may request cancellation or termination of the CSA on behalf of the Manufacturer if such remedy is granted to it after conclusion of the Contracts Disputes Act dispute resolutions process referenced in Section (q) below or if such remedy is otherwise ordered by a United States Federal Court.

(f) **Consent to Government Law / Consent to Jurisdiction.** Subject to the Contracts Disputes Act of 1978 (41. U.S.C §§ 7101-7109) and Federal Tort Claims Act (28 U.S.C. §1346(b)). The validity, interpretation and enforcement of this Rider and the CSA will be governed by and construed in accordance with the laws of the United States. All clauses in the Manufacturer’s CSA referencing equitable remedies are deemed not applicable to the Government order and are therefore deemed to be deleted.

(g) **Force Majeure.** Subject to GSAR 552.212 -4 (f) Contract Terms and Conditions – Commercial Items, Excusable Delays (MAY 2015) (Alternate II – JUL 2009) (FAR Deviation – JUL 2015) (Tailored). Unilateral Termination by the Contractor does not apply to a Government order and all clauses in the Manufacturer’s CSA referencing unilateral termination rights of the Manufacturer’s CSA are hereby deemed to be deleted.

(h) **Assignment.** All clauses regarding Assignment are subject to FAR Clause 52.232-23, Assignment of Claims (MAY 2014) and FAR 42.12 Novation and Change-of-Name Agreements, and all clauses governing Assignment in the Manufacturer’s CSA are hereby deemed to be deleted.

(i) **Waiver of Jury Trial.** All clauses referencing waiver of Jury Trial are subject to FAR Clause 52.233-1, Disputes (MAY 2014), and all clauses governing waiver of jury trial in the Manufacturer’s CSA are hereby deemed to be deleted.
(j) **Customer Indemnities.** All of the Manufacturer’s CSA clauses referencing Customer Indemnities are hereby deemed to be deleted.

(k) **Contractor Indemnities.** All of the Manufacturer’s CSA clauses that (1) violate DOJ’s right (28 U.S.C. 516) to represent the Government in any case and/or (2) require that the Government give sole control over the litigation and/or settlement, are hereby deemed to be deleted.

(l) **Renewals.** All of the Manufacturer’s CSA clauses that violate the Anti-Deficiency Act (31 U.S.C. 1341, 41 U.S.C. 11) ban on automatic renewal are hereby deemed to be deleted.

(m) **Future Fees or Penalties.** All of the Manufacturer’s CSA clauses that violate the Anti-Deficiency Act (31 U.S.C. 1341, 41 U.S.C. 11), which prohibits the Government from paying any fees or penalties beyond the Contract amount, unless specifically authorized by existing statutes, such as the Prompt Payment Act, or Equal Access To Justice Act 31 U.S.C. 3901, 5 U.S.C. 504 are hereby deemed to be deleted.

(o) **Third Party Terms.** Subject to the actual language agreed to in the Order by the Contracting Officer. Any third party manufacturer will be brought into the negotiation, or the components acquired separately under Federally-compatible agreements, if any. Contractor indemnities do not constitute effective migration.

(p) **Installation and Use of the Software.** Installation and use of the software shall be in accordance with the Rider and Manufacturer’s CSA, unless an Ordering Activity determines that it requires different terms of use and Manufacturer agrees in writing to such terms in a valid task order placed pursuant to the Government contract.

(q) **Dispute Resolution and Venue.** Any disputes relating to the Manufacturer’s CSA and to this Rider shall be resolved in accordance with the FAR, the GSAR and the Contract Disputes Act, 41 U.S.C. §§ 7101-7109. See GSAR 552.212-4 (w) (1) (iii) Contract Terms and Conditions – Commercial Items, Law and Disputes (MAY 2015) (Alternate II – JUL 2009) (FAR Deviation – JUL 2015) (Tailored). The Ordering Activity expressly acknowledges that Carahsoft, as the vendor selling the Manufacturer’s licensed software, shall have standing under the Contract Disputes Act to bring such claims that arise out of licensing terms incorporated into Multiple Award Schedule Contract GS-35F-0119Y.
(r) Limitation of Liability: Subject to the following:

Carahsoft, Manufacturer and Ordering Activity shall not be liable for any indirect, incidental, special, or consequential damages, or any loss of profits, revenue, data, or data use. Further, Carahsoft, Manufacturer and Ordering Activity shall not be liable for punitive damages except to the extent this limitation is prohibited by applicable law. This clause shall not impair the U.S. Government’s right to recover for fraud or crimes arising out of or related to this Government Contract under any federal fraud statute, including the False Claims Act, 31 U.S.C. §§ 3729-3733.

(s) Advertisements and Endorsements. Unless specifically authorized by an Ordering Activity in writing, such use of the name or logo of any U.S. Government entity is prohibited.

(t) Public Access to Information. Manufacturer agrees that the CSA and this Rider contain no confidential or proprietary information and acknowledges the CSA and this Rider will be available to the public.

(u) Confidentiality. Any provisions that require the Licensee to keep certain information confidential are subject to the Freedom of Information Act, 5 U.S.C. §552, and any order by a United States Federal Court. The Licensee may provide information to other components of the United States Government pursuant to proper requests for such information as permitted by law, regulation or policy (e.g., disclosures to Congress, auditors, Inspectors General, etc.).
**SaaS AGREEMENT**

Your use of the Software is subject to the terms and conditions of the SaaS Agreement, but only to the extent that all terms and conditions in the SaaS Agreement are consistent with Federal Law (e.g., the Anti-Deficiency Act (31 U.S.C. § 1341 and 41 U.S.C. §6301), the Contracts Disputes Act of 1978 (41. In the event that either party is prevented from performing, or is unable to perform, any of its obligations under this Agreement due to any act of God, fire, casualty, flood, war, acts of terrorists, strike, lockout, failure of public utilities, injunction or any act, exercise or requirement of any governmental authority, epidemic, by an adverse judgment of a court of appropriate jurisdiction, an adverse arbitration decision or by the action of any governmental regulatory agency with the authority to take such action, or any other cause beyond that party’s reasonable control, then that party’s failure to perform will be excused and the time for performance will be extended for the period of delay or inability to perform due to the occurrence.

(d) IDM recognizes that Federal agencies are subject to the Freedom of Information Act, 5 U.S.C. 552, which requires that certain information be released, despite being characterized as “confidential” by the vendor.

(e) The requirements of this Section 15 shall survive the termination of this Agreement for a period of five (5) years.

Neither Carahsoft/IDM nor CUSTOMER has entered into this Agreement in reliance upon any representation, warranty, covenant or undertaking of the other party that is not set out or referred to in this Agreement. In the event of conflict between the terms and conditions herein and those in any associated negotiated purchase order, the conflict shall be resolved in accordance with GSAR 552.212-4(s) Order of Precedence.
