Contractor: **CARASOFT TECHNOLOGY CORPORATION** (*hereinafter "Contractor"*)

Participating State: **STATE OF HAWAII** (*hereinafter "Participating State"*)

State of Hawaii, State Procurement Office (SPO) Vendor List Contract No. 17-18 (herein after "Contract")

Amendment #2 (*hereinafter "Amendment"*) of Participating Addendum for Hawaii as a Participating State to purchase from the NASPO ValuePoint Master Agreement AR2472 with Carahsoft Technology Corporation is amended as follows:

Add Section 5, subsection I. Subsection I, section i – "Quarterly Sales Reporting," replaces in its entirety Section 3, subsection A – "Usage Reports." Subsection A is no longer used.

I. eProcurement System and Marketplace

The State of Hawaii, State Procurement Office, has instituted a statewide eProcurement system, Aloha eBuys. Periscope Holdings, Inc. ("Periscope"), the State's eProcurement system provider, has implemented Aloha eBuys, which will allow Participating Entities to easily search and purchase from this Price/Vendor List Contract. Therefore, Contractor acknowledges and agrees to the following, which requirements are separate from and additive to any of Contractor's requirements under the NASPO ValuePoint Master Agreement.

- i. Quarterly Sales Reporting – As of the effective date of this Amendment, the Contractor shall be required to submit a quarterly report documenting all Sales made under the Contract ("Quarterly Sales Report"). "Sales" shall mean total invoices for gross purchases, less any credits, taxes, regulatory fees, and separately stated shipping charges not included in unit prices, procured on or utilizing pricing and/or other terms of this Contract, regardless of the purchase process. The Quarterly Sales Report shall be submitted directly to Periscope using the Reconciler portal (Periscope's reporting tool to which a link shall be provided to Contractor), or otherwise as reasonably directed by Periscope or State. Quarterly Sales Report will include any periods less than a full calendar quarter if Amendment and/or Contract does not start at the first day of a quarter or end on the last day of the quarter.

Contractor shall submit one Quarterly Sales Report for each contract for each reporting period in accordance with the following schedule:

	Date Range	Due No Later Than
Fiscal Year, Quarter 1	July 1 – September 30	October 31
Fiscal Year, Quarter 2	October 1 – December 31	January 31
Fiscal Year, Quarter 3	January 1 – March 31	April 30
Fiscal Year, Quarter 4	April 1 – June 30	July 31

The Quarterly Sales Report must contain the following information:

- a. Complete and accurate details of all Sales, credits, returns, refunds, and the like for the reporting quarter;
- b. Purchasing Participating Entity and type;
- c. Product/service description, unit price, quantity and total sale amount;
- d. Invoice number and date;
- e. Total Vendor Collected Administrative Fee amount due for the reporting quarter. "Vendor Collected Administrative Fee (VCAF)" shall mean that for all Sales made under or utilizing the pricing or other terms of the Contract that have been invoiced, the Contractor shall remit a VCAF in the amount of one and one-half percent (1.5%) of all Sales to Periscope on behalf of the State;
- f. Such other information as the State and Periscope may reasonably request; and
- g. If no Sales were made during the reporting quarter, then a Quarterly Sales Report shall still be submitted showing zero Sales and zero VCAF due.

Initiation and submission of the Quarterly Sales Report are the responsibility of the Contractor without prompting or notification by Periscope or the State, and Periscope and the State assume no responsibility for any Contractor's failure to meet its sales reporting and fee remittance obligations. The State reserves the right to contact Contractor at any time to request that Contractor attest to the amounts reported to have been paid to them by Participating Entities.

The State and Periscope shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided.

- ii. Remittance of the VCAF – On a quarterly basis, and at the same time as the submission of the Quarterly Sales Report per the above, the Contractor shall remit the VCAF via Automated Clearing House (ACH) transaction directly to Periscope using the Reconciler portal, or as otherwise reasonably directed by Periscope or the State, no later than thirty (30) days after the end of each calendar quarter. The calendar quarters will end September 30, December 31, March 31, and June 30 of each year. Periscope's or the State's receipt or acceptance of any Quarterly

Sales Report and/or VCAF furnished pursuant to the Contract shall not preclude Periscope or the State from challenging the validity thereof at any time. Failure to remit the Quarterly Sales Report and/or VCAF timely and accurately may result in Contractor's goods and/or services being made ineligible for purchase through the Aloha eBuys marketplace. Continued non-compliance by the Contractor may result in the Contractor being found in default of the Contract and, thus, may be subject to termination. Assistance with VCAF remittance is available from the Periscope Customer Service by email or telephone, which contact information shall be providing during Contractor's onboarding.

- iii. Catalog Implementation – Contractor shall cooperate with State and/or Periscope as requested, including attendance of meetings, to include and maintain throughout the term an Aloha eBuys marketplace catalog of products and services consistent with and limited to the Contract items. Contractor may choose one of the following catalog options.
 - a. Hosted Catalog – Contractor shall provide a list of its awarded products and services (including product name, descriptions, images, relevant specifications, keyword search terms, etc.) and pricing consistent with the Contract and in the electronic format provided by Periscope. The product and service list may only provide the awarded products and services at prices listed in the Contract, including quantity and other discounts. In order to maintain the most up-to-date version of the product and service list in compliance with Contract terms, Contractor must provide updated product and service pricing information via electronic format approved by Periscope at least annually but no more than four times per year or as otherwise permitted by the Contract.
 - b. Punchout Catalog – Contractor shall “punch out” to its own online catalog, provided that its own online catalog is capable of being integrated with the Aloha eBuys marketplace via Commerce eXtensible Markup Language. Contractor's punchout catalog may only provide the awarded products and services at prices listed in the Contract, including quantity and other discounts. Contractor must validate its punchout catalog is current by providing a written update to Periscope every four (4) months (or as otherwise provided in the Contract), verifying that Contractor has audited the offered products and services and pricing.

Any price stated by Contractor under the Contract (including in its hosted or punchout catalog) shall be inclusive of the VCAF, and Contractor shall not reflect the VCAF as a separate line item on customer quotes and invoices.

Contractor shall 1) attend a vendor onboarding meeting with Periscope within thirty (30) days of the date of execution of this Amendment, and 2) complete upload of the hosted catalog or integration of the punchout catalog as well as the approval

process(es) within ninety (90) calendar days of the date of execution of this Amendment. Contractor shall cooperate with State and Periscope for any other reasonable requests to ensure a catalog's accurate depiction of the Contract.

Any changes to Contractor's catalog permitted by the Contract must be pre-approved in writing by the State.

- iv. Vendor and Contract Performance Reviews – The State and/or Periscope may reasonably request Contractor to participate virtually in an annual business review, for which review Contractor shall provide Contract sales information as well as marketing action plans, target strategies and staff training plans and requirements designed to grow utilization of the Contract. Periscope shall also provide and discuss Quarterly Sales Reporting and VCAF remittance compliance data.
- v. Retention and Inspection of Records and Audit – The Contractor shall keep records of all Sales in sufficient detail to enable the State or Periscope to determine the VCAF payable by the Contractor. The State and/or Periscope may examine and audit, at its own expense, Contractor's Sales records and Sales Reports for completeness and accuracy. If such examination reveals underpayment of the VCAF, the Contractor shall immediately pay to Periscope the amount of deficiency. If the examination reveals an underpayment of 5% or more, then the Contractor shall reimburse the State and Periscope for the cost of the audit.
