To the extent a Purchasing Entity makes a purchase hereunder pursuant to a purchasing instrument executed by it, such Purchasing Entity shall be solely responsible for any payments due and duties and obligations otherwise owed Contractor under the separate purchasing instrument. The State of Iowa generally bears no obligation or liability for any Purchasing Entity's losses, liabilities, or obligations, including Contractor's failure to perform, arising out of or relating in any way to this PA.
- 5.3. Definitions.
 - 5.3.1. **Confidential Information** is modified to include incorporation of Iowa Code Chapter 22 (Examination of Public Records).
 - 5.3.2. **“Customer Property”** means any property, whether tangible or intangible, of or belonging to the Purchasing Entity, including Data and Customer-Owned Deliverables, software, hardware, programs, or other property possessed, owned, or otherwise controlled, maintained, or licensed by the Purchasing Entity, including third party software

or third party intellectual property. Any Purchasing Entity claims to Customer Property must be expressly and mutually agreed upon in a purchasing instrument.

- 5.3.3. **“Customer-Owned Deliverables”** means any deliverables discovered, created, or developed by Contractor at the direction of the Purchasing Entity or for a specific project under this PA, including all intellectual property rights and proprietary rights arising out of, embodied in, or related to such deliverables, including copyrights, patents, trademarks, trade secrets, trade dress, mask work, utility design, derivative works, and all other rights and interests therein or related thereto, including any underlying source code and related documentation. Any Purchasing Entity claims to Customer-Owned Deliverables must be expressly and mutually agreed upon in a purchasing instrument.
- 5.3.4. **Participating Entity** is modified to include the following: The Department of Management is the Participating Entity acting by and through the State of Iowa.
- 5.4. Ownership of Vendor-Owned Deliverables. Except as specifically granted herein, in a Purchasing Instrument, or in a related instrument, Vendor shall own all Deliverables that were independently and exclusively developed by Vendor and provided hereunder prior to the Effective Date of this Agreement (“Vendor-Owned Deliverables”). Vendor represents and warrants that the Purchasing Entity shall acquire sole ownership of all Customer-Owned Deliverables, free from any rights or interests of Vendor or of any third party. Vendor shall not retain any copies of any Customer-Owned Deliverables.

The Purchasing Entity shall pay all approved invoices in arrears and in conformance with Iowa Code 8A.514. Upon receipt of written notice of Acceptance from the Purchasing Entity, Contractor shall submit an invoice to the Purchasing Entity requesting payment of the fees or other compensation to which it is entitled pursuant to the applicable purchasing instrument, less any agreed upon Retained Amount(s) or other applicable offsets when expressly and mutually agreed upon in an applicable purchasing instrument. The Purchasing Entity will verify Contractor's performance/provisioning of services or deliverable(s) outlined in the invoice before making payment. - 5.8. Retention. To secure Contractor's performance under this PA, a Purchasing Entity may retain a mutually agreed upon percentage of the fees or other compensation associated with each deliverable provided under a purchasing instrument ("**Retained Amounts**") until all deliverables under such purchasing instrument have been provided and the Purchasing Entity has given its final acceptance. - 5.10. Set-off Against Sums Owed by Contractor. When expressly and mutually agreed upon in a purchasing instrument, the State may offset payments owed Contractor under this PA by sums the Contractor owes the State or any of its subdivisions in any context. The Contractor agrees that this provision constitutes proper and timely notice under any applicable laws governing offset.
- 5.11. Withholding Payments. In addition to pursuing any other remedy provided herein or by law, the Purchasing Entity may withhold payments to Contractor, in whole or in part, without penalty or legal liability to the Purchasing Entity or work stoppage by Contractor, in the event Contractor fails to perform pursuant to this PA, or fails to provide deliverables that meet or conform to contractual obligations. No interest shall accrue or be paid to Contractor for withheld sums.
- 5.12. Repayment Obligation. In the event that any State of Iowa funds or federal funds are deferred or disallowed as a result of any audits or expended in violation of the laws applicable to the expenditure of such funds, Contractor will be liable to the Purchasing Entity for the full amount of any claim disallowed (or the amount of funds expended in violation of such applicable laws) and for all related penalties incurred. If the State of Iowa or any federal agency concludes Contractor has been paid for any cost that is unallowable, unallocable, or unreasonable under this Agreement, Contractor will be liable to the Purchasing Entity for such cost. Contractor shall pay to the Purchasing Entity all amounts for which the Contractor is liable under this section within 10

- 5.13. Non-exclusivity. Unless expressly stated otherwise in a purchasing instrument, express remedies are not exclusive, and the Purchasing Entity preserves all rights to seek any and all remedies available to it under law both during and after expiration or termination of the PA or purchasing instrument.
- 5.14. Quiet Enjoyment. Contractor represents and warrants that: (i) it owns, possesses, holds, or has received or secured all rights, permits, permissions, licenses, and authority necessary to provide deliverables to the Purchasing Entity hereunder and to assign, grant, and convey the rights, benefits, licenses and other rights assigned, granted, or conveyed the Purchasing Entity hereunder without violating any rights of any third party; (ii) it has not previously and will not grant any rights in any deliverables to any third party that are inconsistent with the rights granted to the Purchasing Entity herein; and (iii) the Purchasing Entity shall peacefully and quietly have, hold, possess, use, and enjoy the deliverables without suit, disruption, or interruption.
- 5.15. No Conflicts. Contractor represents, warrants, and covenants that no relationship exists or will exist during the Contract Period of the Agreement, between Contractor and the State or any of its divisions or entities that is or may constitute a conflict of interest or appearance of impropriety, or that would conflict in any manner or degree with the performance of its obligations under this PA. To the extent applicable, the provisions of Iowa Code Chapter 68B shall apply to this Agreement and any purchasing instruments executed hereunder, and Contractor shall not engage in or permit any third party to engage in any conduct that would violate that chapter.
- 5.16. Termination Due to Lack of Funds or Change in Law. Participating Entity may terminate this Agreement or a Purchasing Entity may terminate a Purchasing Instrument, in whole or in part, without penalty or liability and without any advance notice if:

- 5.16.3. There is a judicial decision that materially or adversely affects Participating Entity's or a Purchasing Entity's ability to fulfill obligations under this Agreement or any applicable purchasing instrument.
- 5.17. Limitation of Payment Obligations. If the Participating Entity terminates this Agreement or a Purchasing Entity terminates a purchasing instrument for cause, the Participating Entity or the applicable Purchasing Entity retains the right to contest amounts that remain unpaid as of the date of termination. In all other termination contexts, the Purchasing Entity will pay those amounts due for goods or services accepted by the Purchasing Entity for which the Purchasing Entity is obligated to pay up to the date of termination to the extent that funds to make these payments are legally available. Payment is contingent on submission and acceptance of invoices for sums due. Under
