Broadcom may declare a Broadcom Software product contained in MICS Resource Management End of Life (“EOL”) at any time in accordance with the terms and conditions, guidelines, and parameters of Broadcom’s support program, documented in the [Broadcom Maintenance Policy Handbook](#).

After the EOL date, Broadcom will continue to make self-service support available until the end of Customer's current maintenance term for MICS Resource Management. Broadcom shall, for purposes of allowing Customer to continue to enjoy use rights in an EOL product and for which there is no ability for Broadcom to support such product, be held harmless by Customer and Broadcom shall have no liability whatsoever, direct or indirect, relating to Customer's continued use of such product version or product given the aforementioned circumstances.
