This Contract is effective and legally binding as of the Effective Date and, unless terminated as provided for in this section, shall continue to be effective and legally binding for a period of two (2) years. VITA, in its sole discretion, may extend this Contract for up to three (3) additional one (1) year periods after the expiration of the initial two (2) year period. VITA will issue a written notification to the Supplier stating the extension period, not less than thirty (30) days prior to the expiration of any current term. Warranty on or Maintenance Services for any Software ordered during the term of the Contract may extend beyond the term of this Contract. Performance of an order or SOW issued during the term of this Contract may survive the expiration of the term of this Contract, in which case all terms and conditions required for the operation of such order or SOW shall remain in full force and effect until Services pursuant to such order or SOW have met the final Acceptance criteria of the applicable Authorized User.

B. Termination for Convenience

VITA may terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part, or an Authorized User may terminate an order, in whole or in part, upon not less than thirty (30) days prior written notice at any time for any reason.

C. Termination for Breach or Default

VITA shall have the right to terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part, or an Authorized User may terminate an order, in whole or in part, for breach and/or default of Supplier. Supplier shall be deemed in breach and/or default in the event that Supplier fails to meet any material obligation set forth in this Contract or in any order issued hereunder.

If VITA deems the Supplier to be in breach and/or default, VITA shall provide Supplier with notice of breach and/or default and allow Supplier fifteen (15) days to cure the breach and/or default. If Supplier fails to cure the breach as noted, VITA may immediately terminate this Contract or any order issued hereunder, in whole or in part.

If an Authorized User deems the Supplier to be in breach and/or default of an order, such Authorized User shall provide Supplier with notice of breach and/or default and allow Supplier fifteen (15) days to cure the breach and/or default. If Supplier fails to cure the breach and/or default as noted, such Authorized User may immediately terminate its order, in whole or in part.

Any such termination shall be deemed a Termination for Breach or a Termination for Default. In addition, if Supplier is found by a court of competent jurisdiction to be in violation of or to have violated 31 USC 1352, or if Supplier becomes a party excluded from Federal Procurement and Nonprocurement Programs, VITA may immediately terminate this Contract, in whole or in part, for breach. VITA shall provide written notice to Supplier of such termination, and Supplier shall provide prompt written notice to VITA if Supplier is charged with violation of 31 USC 1352 or if federal debarment proceedings are instituted against Supplier.

Written notice will be provided to the Supplier as soon as possible after legislative action is completed.

E. Effect of Termination

This obligation may extend beyond expiration or termination of the Contract for a period not to exceed six (6) months. In the event of a termination for breach and/or default of Supplier, Supplier shall provide such assistance at no charge or fee to VITA or any Authorized User; otherwise, Supplier shall provide such assistance at a reasonable hourly rate or a charge agreed upon by Supplier and VITA or an Authorized User.

Supplier's non-compliance may affect any pending payments due the Supplier, including final payment, until the documentation is returned.

4. SOFTWARE LICENSE

If Authorized User is a state agency, board, commission, or other quasi-political entity of the Commonwealth of Virginia or other body referenced in Title 2.2 of the Code of Virginia, the license shall be held by the Commonwealth. If Authorized User is a locality, municipality, school, school system, college, university, local board, local commission, or local quasi-political entity, the license shall be held by that public body.

Nothing contained herein shall be construed to restrict or limit an Authorized User's rights to use any technical data which such Authorized User may already possess or acquire under proper authorization from other sources.

Compliance with the terms and conditions of any license granted pursuant to this Contract is solely the responsibility of the Authorized User which purchased such license and not the responsibility of VITA, unless VITA purchased such license on its own behalf.

I. License Type

All licenses granted, regardless of the type, include all uses set forth above. License type may vary by Software product and shall be set forth in Exhibit B and identified on any order issued pursuant to this Contract

Designated CPU License:

The license(s) granted under this Section authorizes use of the Software only on the number of CPU(s) listed on Exhibit B. An Authorized User may transfer the Software to a different machine to the extent that the license price for such new CPU(s) is equivalent to the CPU(s) initially licensed. If the licensed CPU is inoperative because of (i) malfunction, (ii) performance of maintenance, or (iii) modification to the licensed CPU, or (iv) because the Software is being transferred to another CPU, such Authorized User may use the Software on a replacement CPU as long as required by the mentioned conditions.

Concurrent Use License:

The license(s) granted under this Section authorizes use of the Software on any system based on the total number of Concurrent Users. The number of "Concurrent Users" is defined as the maximum number of concurrent Sessions connected at a given point in time. A "Session" is defined as an active user executing the Software. The Authorized User shall specify an initial number of Concurrent User licenses in its initial order pursuant to this Contract. An Authorized User may increase the number of Concurrent User licenses upon issuing an order for additional Concurrent User licenses. The license fee for additional Concurrent User licenses and payment of the license fee is set forth on Exhibit B.

Site License:

The license(s) granted under this Section authorizes use of the Software on any system located at the "Site" as such term is defined in the applicable order.

Project Specific License:

The Project Specific License authorizes use of the Software on any CPU, on any system, and by any user, without limitation as to quantity or location.

Enterprise Wide License:

The Enterprise Wide License authorizes use of the Software on any CPU, on any system, and by any user within the "Enterprise", as such term is defined in the applicable order, without limitation as to the quantity or location or project.

J. No Subsequent, Unilateral Modification of Terms by Supplier ("Shrink Wrap")

Notwithstanding any other provision or other unilateral license terms which may be issued by Supplier after the Effective Date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of an order for Software licensed under this Contract, or the fact that such other agreement may be affixed to or accompany Software upon delivery ("shrink wrap"), the terms and conditions set forth herein shall supersede and govern licensing and delivery of all products and services hereunder.

5. DELIVERY AND INSTALLATION

A. Scheduling

Supplier shall deliver Software and perform the Services according to the delivery dates set forth on the appropriate order.

B. Installation of Software

1. Supplier Installation of Software

The Software license fee includes initial installation. Supplier is required to install the Software in accordance with the installation schedule set forth on the order. Supplier shall conduct its standard appropriate diagnostic evaluation at the Authorized User's user site to determine that the Software is properly installed and fully ready for productive use, and shall supply the Authorized User with a copy of the results of the diagnostic evaluation promptly after completion of installation.

Supplier agrees that failure to install the Software in accordance with the delivery schedule in the applicable order shall constitute a material breach of this Contract resulting in damages to the Authorized User. As an estimate of the damages such Authorized User shall suffer, Supplier agrees to credit such Authorized User an amount equal to one-tenth percent (0.1%) of the total license fee, for each day of undelivered or delivered but non-operational Software for a period of thirty (30) days following the agreed upon delivery date. If the delay lasts longer than thirty (30) days, such Authorized User may immediately cancel the order and collect the damages for that period of late delivery. Such Authorized User reserves any and all other remedies available at law or in equity for delays lasting longer than thirty (30) days or for non-delivery.

2. Authorized User Installation of Software

If an Authorized User elects to install the Software itself or to contract with a third party to perform installation services, the Software shall be deemed to be installed when all programs, program libraries and user interfaces are copied to and initialized on the appropriate equipment as executable by having the ordering Authorized User, its Agent, or its third party installer invoke the primary function of each major component of the Software or when Acceptance criteria have been met. Authorized User shall provide to Supplier written notice of Acceptance upon completion of installation and successful Acceptance testing.

C. Documentation of Software Configuration

If the Services include configuration of Software by Supplier, Supplier shall provide to the appropriate Authorized User documentation containing a description of the configuration. Such documentation shall be sufficiently detailed such that any appropriately trained employee or Agent of any Authorized User may reconstruct the configuration of the Software.

6. ACCEPTANCE AND CURE PERIOD**A. Acceptance**

Software shall be deemed accepted when the Authorized User determines that such Software successfully operates in accordance with the Requirements. Such Authorized User agrees to commence Acceptance testing within five(5) days after receipt of the Software, or within such other period as set forth in the applicable order, after receipt of the Software. Acceptance testing will be no longer than five(5) days, or such longer period as may be agreed in writing between Authorized User and Supplier, for the first instance of each product type set forth in Exhibit B. Supplier agrees to provide to such Authorized User such assistance and advice as such Authorized User may reasonably require, at no additional cost, during such Acceptance testing, other than travel expenses pre-approved by the Authorized User which will be reimbursable by such Authorized User at the then-current per diem amounts as published by the Virginia Department of Accounts <http://www.doa.virginia.gov>, or a successor URL(s)). Authorized User shall provide to Supplier written notice of Acceptance upon completion of successful Acceptance testing. Should Authorized User fail to provide Supplier written notice of successful or unsuccessful Acceptance testing within five (5) days following the Acceptance testing period, the Software shall be deemed Accepted.

B. Cure Period

Supplier shall correct any non-conformities identified during Acceptance testing and re-submit such non-conforming Software for re-testing within seven (7) days of the appropriate Authorized User's written notice of non-conformance, or as otherwise agreed between such Authorized User and Supplier in the applicable order. Should Supplier fail to cure the non-conformity or deliver Software which meets the Requirements, such Authorized User may, in its sole discretion: (i) reject the Software in its entirety and recover amounts previously paid hereunder; (ii) issue a "partial Acceptance" of the Software with an equitable adjustment in the price to account for such deficiency; or (iii) conditionally accept the applicable Software while reserving its right to revoke Acceptance if timely correction is not forthcoming. Failure of the Software to meet, in all material respects, the Requirements after the second set of acceptance tests may constitute a default by Supplier. In the event of such default, the Authorized User may, at its sole discretion, terminate its order, in whole or in part, for the Software and Services to be provided thereunder by Supplier.

7. WARRANTY SERVICES

At any time during the Warranty Period of one (1) year after Acceptance, Supplier shall provide the following warranty services (including unlimited telephonic support and all necessary travel and labor) without additional charge to any Authorized User to maintain the Software in accordance with the Requirements:

A. Known Defects

Promptly notify all Authorized Users of any defects or malfunctions in the Software or Documentation of which it learns from any source other than an Authorized User and provide to all Authorized Users a correction of any such defects or malfunctions, or a work around until a correction is available, within five (5) days of Supplier's knowledge of such defect or malfunction.

B. Coverage

Monday through Friday, 8 a.m. to 5 p.m., excluding Commonwealth holidays, provide to any Authorized Users all reasonably necessary telephone or written consultation requested by such Authorized Users in connection with use, problems and operation of the Software.

C. Service Levels

Respond to problems with the Software identified by an Authorized User in no more than one (1) hour after notification. Resolve all problems according to the following:

- i). Priority 1 (Software inoperable) within six (6) hours
- ii). Priority 2 (certain processing interrupted or malfunctioning but Software able to process) within twenty four (24) hours
- iii). Priority 3 (minor intermittent malfunctioning, Software able to process data) within three (3) days.

The level of severity (e.g., 1, 2, 3), shall be defined by such Authorized User.

D. Remedies

If Supplier is unable to make the Software conform, in all material respects, to the Requirements within thirty (30) days following written notification by an Authorized User, Supplier shall, at such Authorized User's request, cancel the license to such Software, accept return of such Software and Documentation, if applicable, rendered unusable, and return all monies paid by such Authorized User for the non-conforming Software and Documentation and such other related Service(s) rendered unusable.

8. MAINTENANCE SERVICES

Supplier shall provide Maintenance Services during the Maintenance Period at the prices identified in Exhibit B without additional charge to maintain the Software in accordance with the Requirements and to provide upgrades, updates, and new releases as they are made generally available.

The prices identified in Exhibit B are inclusive of all necessary labor and, unless otherwise provided therein, all necessary travel. Should travel not be included in the prices identified in Exhibit B, any travel expense must be pre-approved by the Authorized User and shall be reimbursed in accordance with the then-current per diem rates established by the Virginia Department of Accounts <http://www.doa.virginia.gov>, or a successor URL(s)).

In addition to the minimum Maintenance Services described in this section, Exhibit C provides detailed descriptions of Supplier's additional maintenance offerings, if any, and Supplier's associated responsibilities as well as remedies available to the Authorized User in the event Supplier fails to perform its maintenance obligations. Any monetary remedies shall be paid to the Authorized User on a quarterly basis. Exhibit C defines coverage periods, response times, and restore times.

A. Ordering

An Authorized User may order Maintenance Services for any Software at any time during the term of the Contract, irrespective of whether such Software is covered under warranty or maintenance at the time the order is issued to Supplier. Each order shall identify:

- i). Software product and number of units for which Maintenance Services shall be provided,
- ii). Maintenance Level to be provided, and
- iii). Maintenance Period for Software Maintenance.

Authorized User may elect, at any time, an alternate Maintenance Level offered by Supplier. Such amendment shall take effect within thirty (30) days following Supplier's receipt of Authorized User's written notice, in the form of a modification to an order.

Unless otherwise agreed by the Authorized User and Supplier, the Maintenance Period for a unit of Software shall be one (1) year from the effective date of any executed order for Maintenance on such Software product.

B. Renewal

Not less than sixty (60) days prior to the expiration of the Maintenance Period for each unit of Software, Supplier shall notify the Authorized User of such expiration, and the Authorized User, at its sole discretion, may issue an order to Supplier to renew Maintenance Services for an additional one (1) year period. The annual fee for Maintenance Services shall not exceed the fee charged for the preceding year's Maintenance Services by more than three percent (3%), or the annual change in CPI, as defined in the Fees and Charges section, in effect at the time, whichever is less. Termination of this Contract or cancellation of Maintenance Services by an Authorized User shall not affect this Contract or the grant of any license.

C. Services

At a minimum, Maintenance Services shall include the following:

1. Known Defects

Supplier's offerings and responsibilities related to known defects in the Software are described in Exhibit C.

2. New Releases

Supplier's offerings and responsibilities related to new releases of the Software are described in Exhibit C.

3. Coverage

Supplier's offerings and responsibilities related to coverage for telephonic and written consultation in connection with use, problems, and operation of the Software are described in Exhibit C.

4. Service Levels

Supplier's offerings and responsibilities related to response and restore times for any problems with the Software identified by an Authorized User, and any associated remedies are described in Exhibit C.

5. Additional Maintenance Services

Supplier's additional Maintenance Service offerings are described in Exhibit C.

D. Software Evolution

Should Supplier or Software Publisher merge or splinter the Software previously provided to any Authorized User, such action on the part of Supplier or Software Publisher shall not in any way result in any Authorized User being charged additional license or support fees in order to receive enhancements, releases, upgrade or support for the Software.

If Supplier or Software Publisher reduces or replaces functionality contained in a licensed Software product and provides the same or substantially similar functionality as or within a separate or renamed Software product, then the Commonwealth or the Authorized User shall be entitled to license such Software product at no additional license or maintenance fee, and subject to the terms and conditions herein.

If Supplier or Software Publisher releases an option, future Software product or other release that has substantially the same functionality as the Software products provided under this Contract, and Software Publisher and/or Supplier ceases to provide maintenance for the older Software product, then Supplier shall offer the Commonwealth or the Authorized User the option to exchange licenses for such replacement Software product or function at no additional charge.

E. Escalation Procedures

To be provided by Supplier

F. Remedies

In addition to any remedies described in Exhibit C, if Supplier is unable to make the Software conform, in all material respects, to the Requirements within thirty (30) days following notification by an Authorized User, Supplier shall, at such Authorized User's request, accept cancellation of the license to such non-conforming software and (i) return all monies paid by such Authorized User for the cancelled license, pro-rated using the straight-line method for an estimated software life cycle of five (5) years, or, if a term license, shall return the prorated license fee for the remainder of the license term; and (ii) return the prorated maintenance charge for the remainder of the maintenance term. The prorated amount due an Authorized User shall be calculated from the date on which the Software ceased operating in accordance with the Requirements.

9. GENERAL WARRANTY

Supplier warrants and represents to VITA the Software described in Exhibit A as follows:

A. Ownership

Supplier is the owner of the Software or otherwise has the right to grant the license to use the Software granted hereunder without violating or infringing any law, rule, regulation, copyright, patent, trade secret or other proprietary right of any third party.

B. Software and Documentation

Supplier warrants the following with respect to the Software:

- i). The Software is pursuant to a particular Request for Proposal ("RFP"), and therefore, such Software shall be fit for the particular purposes specified by VITA, and Supplier is possessed of superior knowledge with respect to the Software and is aware that all Authorized Users are relying on Supplier's skill and judgment in providing the Software;
- ii). If the RFP specified or Exhibit A specifies the hardware equipment an Authorized User shall use to run the Software, then Supplier warrants the Software, and any subsequent release, is compatible with and shall perform as stated with such hardware for a period of five (5) years of the Effective Date. However Supplier will in no event be liable for the failure of Software if such failure is due to changes in the hardware or use of third party software by an Authorized User.
- iii). If an order issued by an Authorized User pursuant to this Contract specified the hardware equipment such Authorized User shall use to run the Software, then Supplier warrants the

Software, and any subsequent release, is compatible with and shall perform as stated with such hardware for a period of five (5) years of the date of such order. However Supplier will in no event be liable for the failure of Software if such failure is due to changes in the hardware or use of third party software by such Authorized User.

- iv). The Software provided hereunder is at the current release level unless an Authorized User specifies an older version in its order, in which case item (iii) shall not apply and the older version of the Software, and any subsequent release, is compatible with and shall perform as stated with any hardware specified in the applicable order for a period of five (5) years of the date of such order;
- v). No corrections, work arounds or future Software releases provided by Supplier under the warranty provisions or under maintenance or support services shall degrade the Software, cause any other warranty to be breached, or require an Authorized User to acquire additional hardware equipment or software;
- vi). Supplier warrants that the Documentation and all modifications or amendments thereto which Supplier is required to provide under this Contract shall be sufficient in detail and content to allow an Authorized User to load/use/operate the Software without reference to any other materials or information.

C. Limited Warranty

During the warranty period of one (1) year, or as specified in the applicable order, Supplier warrants that the Software shall meet or exceed the Requirements. Supplier shall correct, at no additional cost to any Authorized User, all errors identified during the warranty period that result in a failure of the Software to meet the Requirements.

D. Malicious Code

Supplier has used its best efforts through quality assurance procedures to ensure that there are no Computer Viruses or undocumented features in the Software at the time of delivery to an Authorized User. Supplier warrants that the Software does not contain any embedded device or code (e.g., time bomb) that is intended to obstruct or prevent any Authorized User's use of the Software. Notwithstanding any rights granted under this Contract or at law, Supplier hereby waives under any and all circumstances any right it may have or may hereafter have to exercise Electronic Self-Help. Supplier agrees an Authorized User may pursue all remedies provided under law in the event of a breach or threatened breach of this Section, including injunctive or other equitable relief.

E. Open Source

Supplier will notify all Authorized Users if the Software contains any Open Source code and identify the specific Open Source License that applies to any embedded code dependent on Open Source code, provided by Supplier under this contract.

F. Supplier's Viability

Supplier warrants that it has the financial capacity to perform and continue to perform its obligations under this Contract; that Supplier has no constructive or actual knowledge of a potential legal proceeding being brought against Supplier that could materially adversely affect performance of this Contract and that entering into this Contract is not prohibited by any contract, or order by any court of competent jurisdiction.

G. Supplier's Past Experience

Supplier warrants that the Software has been installed and is operating in a production environment in a non-related third party's facility without significant problems due to the Software or Supplier.

THE OBLIGATIONS OF SUPPLIER UNDER THIS GENERAL WARRANTY SECTION ARE MATERIAL. SUPPLIER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY CONCERNING MERCHANTABILITY OR FITNESS FOR ANY OTHER PARTICULAR PURPOSE.

10. TRAINING AND DOCUMENTATION

The license fee includes all costs for the training of one Authorized User trainer per order or SOW at such Authorized User's designated location on the use and operation of the Software, including instruction in any necessary conversion of Authorized User's data for such use. Pursuant to a mutually agreed upon schedule, Supplier shall provide personnel sufficiently experienced and qualified to conduct such training. Available optional training, and applicable pricing and discounts, are described in Exhibit B.

Supplier shall deliver to the Authorized User, one (1) complete hard copy or electronic media of Documentation, as requested by such Authorized User. Authorized User shall have the right, as part of the license granted herein, to make as many additional copies of the Documentation, in whole or in part, for its own use as required. This Documentation shall include, but not be limited to, overview descriptions of all major functions, detailed step-by-step installation and operating procedures for each screen and activity, and technical reference manuals. Authorized User shall have the right, as part of the license granted herein, at its own discretion, to take all or portions of the Documentation, modify or completely customize it in support of the authorized use of the Software and may duplicate such Documentation and include it in an Authorized User document or platform. Authorized User shall continue to include Supplier's copyright notice.

11. FEES, ORDERING AND PAYMENT PROCEDURE

A. Fees and Charges

As consideration for the Software license(s) and Services provided herein, an Authorized User shall pay Supplier the fee(s) set forth on Exhibit B, which lists any and all fees and charges. The fees and any associated discounts shall be applicable throughout the term of this Contract; provided, however, that in the event the fees or discounts apply for any period less than the entire term, Supplier agrees that it shall not increase the fees more than once during any twelve (12) month period, commencing at the end of year one (1). No such increase shall exceed the lesser of three percent (3%) or the annual increase in the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, All Items, Not Seasonally Adjusted, as published by the Bureau of Labor Statistics of the Department of Labor (<http://www.bls.gov/cpi/home.htm>), for the effective date of the increase compared with the same index one (1) year prior. Any such change in price shall be submitted in writing in accordance with the above and shall not become effective for sixty (60) days thereafter. Supplier agrees to offer price reductions to ensure compliance with the Competitive Pricing Section.

B. Reproduction Rights

At an Authorized User's request, Supplier shall provide the Authorized User with a reproducible diskette or CD. Such Authorized User shall be responsible for making copies and distributing the Software as required. Within thirty (30) days of the end of each calendar quarter, such Authorized User shall provide to Supplier a report of the net number of additional copies of the Software deployed during the quarter. Supplier shall invoice such Authorized User for the net number of new licenses reported as deployed.

C. Evaluation Copy of Software

Supplier shall make available to any Authorized User Software for evaluation purposes at no charge. The evaluation period will be determined by the complexity of testing but will be a period not less than thirty (30) days. Each new project is entitled to an evaluation copy regardless of whether an Authorized User has previously purchased the Software.

D. Ordering

Notwithstanding all Authorized User's rights to purchase or license Supplier's products or services under this Contract, an Authorized User is under no obligation to purchase or license from Supplier any of Supplier's products or services. This Contract is optional use and non-exclusive and all Authorized Users may, at their sole discretion, purchase, license or otherwise receive benefits from third party suppliers of products and services similar to, or in competition with, the products and services provided by Supplier.

Supplier is required to accept any order placed by an Authorized User through the eVA electronic procurement website portal (<http://www.eva.virginia.gov>). eVA is the Commonwealth of Virginia's e-procurement system. State agencies, as defined in §2.2-2006 of the Code of Virginia, shall order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

- i). Purchase Order (PO): An official PO form issued by an Authorized User.
- ii). Any other order/payment charge or credit card process, such as AMEX, MASTERCARD, or VISA under contract for use by an Authorized User.

This ordering authority is limited to issuing orders for the Software and Services available under this Contract. Under no circumstances shall any Authorized User have the authority to modify this Contract. An order from an Authorized User may contain additional terms and conditions; however, to the extent that the terms and conditions of the Authorized User's order are inconsistent with the terms and conditions of this Contract, the terms of this Contract shall supersede.

Notwithstanding the foregoing, Supplier shall not accept any order from an Authorized User if such order is to be funded, in whole or in part, by federal funds and if, at the time the order is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS VITA IS THE AUTHORIZED USER.

E. Invoice Procedures

Supplier shall remit each invoice to the "bill to" address provided with the order promptly after all Software or Services have been accepted. Payment for Software support Services, including Maintenance, shall be annually in arrears unless otherwise stated herein, or in any order referencing this Contract. No invoice shall include any costs other than those identified in the executed order, which costs shall be in accordance with Exhibit B. Without limiting the foregoing, all shipping costs are the Supplier's responsibility except to the extent such charges are identified in Exhibit B, or as noted in any executed order referencing this Contract. Invoices issued by the Supplier shall identify at a minimum:

- i). Software or Service type and description
- ii). Quantity, charge and extended pricing for each Software and/or Service item
- iii). Applicable order date
- iv). This Contract number and the applicable order number
- v). Supplier's Federal Employer Identification Number (FEIN).

Any terms included on Supplier's invoice shall have no force or effect and will in no way bind VITA or any Authorized User.

F. Purchase Payment Terms

Supplier is responsible for the accuracy of its billing information. Supplier agrees not to issue invoices hereunder until Software has been accepted. Charges for Software or Services accepted more than ninety (90) days prior to receipt of a valid invoice may not be paid. Should Supplier repeatedly over bill Authorized User, Authorized User may assess a one percent (1%) charge for the amount over billed for each month that such over billing continues.

In the event Software is shipped without the applicable Documentation, payment shall not be due until the required Documentation is provided.

If there are any disputed items, an Authorized User shall pay all undisputed charges and promptly notify Supplier in writing of any disputed amount. Supplier shall thereupon review its records, and, if it does not concur with the Authorized User, provide the Authorized User with documentation to support the charge. If such charges remain in dispute, such dispute shall be resolved in accordance with the Dispute Resolution section of this Contract. In the absence of the Supplier's written evidence identifying the merit of the disputed amounts, Authorized User may not pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. All payment terms are net 30 days after Acceptance.

G. Alternate Channel Participation (Resellers/Distributors)

It is the intention of VITA to allow Resellers (including Value Added Resellers (VARs), distributors and dealers) to participate as alternate distribution sources for Supplier under the following conditions:

- i). Supplier shall provide to VITA the names and applicable contact information of its authorized Resellers. VITA may, at its sole discretion, issue a solicitation in accordance with the Virginia Public Procurement Act (VPPA), §§ 2.2-4300 et seq. of the Code of Virginia, for the participation of such Resellers as alternate distribution sources for Supplier.
- ii). Once a Reseller is issued a contract in accordance with the VPPA, an Authorized User may issue an order directly to such Reseller, in accordance with the VPPA and/or other applicable statutes or regulations. Reseller shall ship and bill Authorized Users directly in accordance with the terms of its contract with VITA, on behalf of the Commonwealth of Virginia.
- iii). Orders placed with Resellers pursuant to a contract awarded in accordance with items (i) and (ii) above may contain only Software previously approved for license under this Contract.
- iv). Reseller may invoice and will be paid in accordance with the terms of its contract with VITA.
- v). Supplier agrees that all licenses for the Software acquired by Authorized User through a Reseller shall be governed by the terms and conditions of this Contract in lieu of VITA's execution of a sublicense agreement with Reseller, regardless of whether such Authorized User referenced this Contract in its order.
- vi). As to all Software acquired through Resellers, Supplier warrants and represents that all warranties and indemnities set forth in the Contract will be honored by Supplier as to such Software, regardless of whether the ordering Authorized User referenced this Contract in its order.

12. REPORTING

Supplier is required to submit to VITA the following monthly reports:

- Report of Sales; and
- Small Business Subcontracting Report

These reports must be submitted using the instructions found at the following URL:

<http://www.vita.virginia.gov/scm/default.aspx?id=97>

Suppliers are encouraged to review the site periodically for updates on Supplier reporting.

13. COMPETITIVE PRICING

Supplier warrants and agrees that each of the charges, economic or product terms or warranties granted pursuant to this Contract are comparable to or better than the equivalent charge, economic or product term or warranty being offered to commercial or government customer of Supplier. If Supplier enters into any arrangements with another customer of Supplier or with an Authorized User to provide Software or Services under more favorable prices, as the prices may be indicated on Supplier's current U.S. and International price list or comparable document, then this Contract shall be deemed amended as of the date of such other arrangements to incorporate those more favorable prices, and Supplier shall immediately notify VITA of such change.

14. CONFIDENTIALITY**A. Treatment and Protection**

Each Party shall (i) hold in strict confidence all Confidential Information of any other Party, (ii) use the Confidential Information solely to perform or to exercise its rights under this Contract, and (iii) not transfer, display, convey or otherwise disclose or make available all or any part of such Confidential Information to any third-party. However, an Authorized User may disclose the Confidential Information as delivered by Supplier to subcontractors, contractors or agents of such Authorized User that are bound by non-disclosure contracts with such Authorized User. Each Party shall take the same measures to protect against the disclosure or use of the Confidential Information as it takes to protect its own proprietary or confidential information (but in no event shall such measures be less than reasonable care).

B. Exclusions

The term "Confidential Information" shall not include information that is:

- i). in the public domain through no fault of the receiving Party or of any other person or entity that is similarly contractually or otherwise obligated;
- ii). obtained independently from a third-party without an obligation of confidentiality to the disclosing Party and without breach of this Contract;

C. Return or Destruction

VITA or the Authorized User shall retain and dispose of Supplier's Confidential Information in accordance with the Commonwealth of Virginia's records retention policies or, if Authorized User is not subject to such policies, in accordance with such Authorized User's own records retention policies.

15. INDEMNIFICATION AND LIABILITY

A. Indemnification

Supplier agrees to indemnify, defend and hold harmless the Commonwealth, VITA, any Authorized User, their officers, directors, agents and employees (collectively, "Commonwealth's Indemnified Parties") from and against any and all losses, damages, claims, demands, proceedings, suits and actions, including any related liabilities, obligations, losses, damages, assessments, fines, penalties (whether criminal or civil), judgments, settlements, expenses (including attorneys' and accountants' fees and disbursements) and costs (each, a "Claim" and collectively, "Claims"), incurred by, borne by or asserted against any of Commonwealth's Indemnified Parties to the extent such Claims in any way relate to, arise out of or result from: (i) any intentional or willful conduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier, (iii) breach of any representation, warranty or covenant of Supplier contained herein, (iv) any defect in the Software or the Services, or (v) any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Software or Services. Selection and approval of counsel and approval of any settlement shall be accomplished in accordance with all applicable laws, rules and regulations. For state agencies the applicable laws include §§ 2.2-510 and 2.2-514 of the Code of Virginia. In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to the Commonwealth.

In the event that a Claim is commenced against any of Commonwealth's Indemnified Parties alleging that use of the Software or that the provision of Services under this Contract infringes any third party's intellectual property rights and Supplier is of the opinion that the allegations in such Claim in whole or in part are not covered by this indemnification provision, Supplier shall immediately notify VITA and the affected Authorized User(s) in writing, via certified mail, specifying to what extent Supplier believes it is obligated to defend and indemnify under the terms and conditions of this Contract. Supplier shall in such event protect the interests of the Commonwealth's Indemnified Parties and secure a continuance to permit VITA and the affected Authorized User(s) to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA or the affected Authorized User(s) may have.

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Software or Services, and in addition to all other obligations of Supplier in this Section, Supplier shall at its expense, either (a) procure for all Authorized Users the right to continue use of such infringing Software or Services, or any component thereof; or (b) replace or modify such infringing Software or Services, or any component thereof, with non-infringing products or services satisfactory to VITA. And in addition, Supplier shall provide any Authorized User with a comparable temporary replacement Software or reimburse VITA or any Authorized User for the reasonable costs incurred by VITA or such Authorized User in obtaining an alternative product in the event such Authorized User cannot use the affected Software. If Supplier cannot accomplish any of the foregoing within a reasonable time and at commercially reasonable rates, then Supplier shall accept the return of the infringing component of the Software or Services, along with any other components of any products rendered unusable by any Authorized User as a result of the infringing component, and refund the price paid to Supplier for such components.

B. Liability

Except for liability with respect to (i) any intentional or willful misconduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier, (iii) claims for bodily injury, including death, and real and tangible property damage, (iv) Supplier's indemnification obligations, (v) Supplier's confidentiality obligations, and (vi) Supplier's security compliance obligations, Supplier's liability shall be limited to twice the aggregate value of the Software and Services provided under this Contract. Supplier agrees that it is fully responsible for all acts and omissions of its employees, agents, and subcontractors, including their gross negligence or willful misconduct.

FOR ALL OTHER CONTRACTUAL CLAIMS, IN NO EVENT WILL ANY PARTY BE LIABLE TO ANY OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING (WITHOUT LIMITATION) LOSS OF PROFIT, INCOME OR SAVINGS, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, EXCEPT WHEN SUCH DAMAGES ARE CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE PARTY, ITS EMPLOYEES, AGENTS OR SUBCONTRACTORS.

Supplier shall also comply with all applicable federal, state and local laws and regulations. For any individual Authorized User location, security procedures may include but not be limited to: background checks, records verification, photographing, and fingerprinting of Supplier's employees or agents. Supplier may, at any time, be required to execute and complete, for each individual Supplier employee or agent, additional forms which may include non-disclosure agreements to be signed by Supplier's employees or agents acknowledging that all Authorized User information with which such employees and agents come into contact while at the Authorized User site is confidential and proprietary. Any unauthorized release of proprietary or Personal information by the Supplier or an employee or agent of Supplier shall constitute a breach of its obligations under this Section and the Contract.

Supplier shall immediately notify VITA and Authorized User, if applicable, of any Breach of Unencrypted and Unredacted Personal Information, as those terms are defined in Virginia Code 18.2-186.6, and other personal identifying information, such as insurance data or date of birth, provided by VITA or Authorized User to Supplier. Supplier shall provide VITA the opportunity to participate in the investigation of the Breach and to exercise control over reporting the unauthorized disclosure, to the extent permitted by law.

Supplier shall indemnify, defend, and hold the Commonwealth, VITA, the Authorized User, their officers, directors, employees and agents harmless from and against any and all fines, penalties (whether criminal or civil), judgments, damages and assessments, including reasonable expenses suffered by, accrued against, or charged to or recoverable from the Commonwealth, VITA, the Authorized User, their officers, directors, agents or employees, on account of the failure of Supplier to perform its obligations pursuant this Section.

18. BANKRUPTCY

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, fails to pay its debts as they become due, or ceases business operations continuously for longer than fifteen (15) business days, then VITA may immediately terminate this Contract, or an Authorized User may terminate an order, on notice to Supplier unless Supplier immediately gives VITA or such Authorized User adequate assurance of the future performance of this Contract or the applicable order. If bankruptcy proceedings are commenced with respect to Supplier, and if this Contract has not otherwise terminated, then VITA may suspend all further performance of this Contract until Supplier assumes this Contract and provides adequate assurance of performance thereof or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by VITA and Supplier that this is an executory contract. Any such suspension of further performance by VITA pending Supplier's assumption or rejection shall not be a breach of this Contract, and shall not affect the right of VITA or any Authorized User to pursue or enforce any of its rights under this Contract or otherwise.

19. GENERAL PROVISIONS**A. Relationship between VITA, Authorized User, and Supplier**

Supplier has no authority to contract for VITA or any Authorized User or in any way to bind, to commit VITA or any Authorized User to any agreement of any kind, or to assume any liabilities of any nature in the name of or on behalf of VITA or any Authorized User.
