State and Local Government Contracts & Education Procurement Vehicles

Carahsoft holds state-, city-, county-, and technology-specific contracts that accelerate procurement for government agencies and educational institutions. In addition, through GSA's Cooperative Purchasing Program, state, local, and tribal governments can purchase through specific GSA Schedule contracts.

Carahsoft also partners with resellers who focus on states and regions throughout the country. Through these teaming arrangements, Carahsoft and Accela also have access to these vehicles.
