ServiceNow*

ServiceNow and the FedRAMP Experience

Meeting and Exceeding the FedRAMP Marketplace Needs

Asif Husain

Director, Product Strategy Public Sector

FedRAMP: Understanding the focus of US Govt Entities

1st Understanding

**Federal Cloud
Computing
Strategy
- Cloud Smart -**

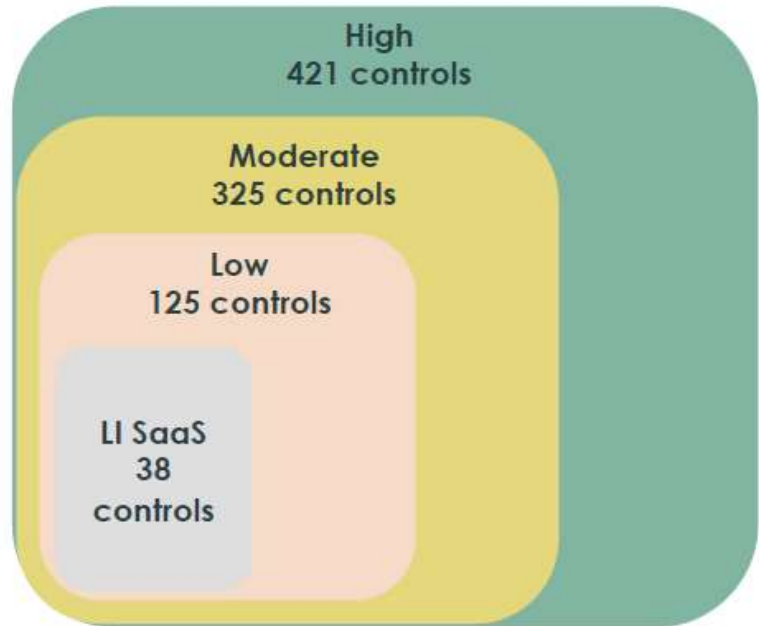

2nd Understanding

**Increased Levels
of Data
Classification**

3rd Understanding

**Regulatory and
Compliance
Initiatives
Adherence to
FISMA**

What are FedRAMP and DoD Impact Levels?

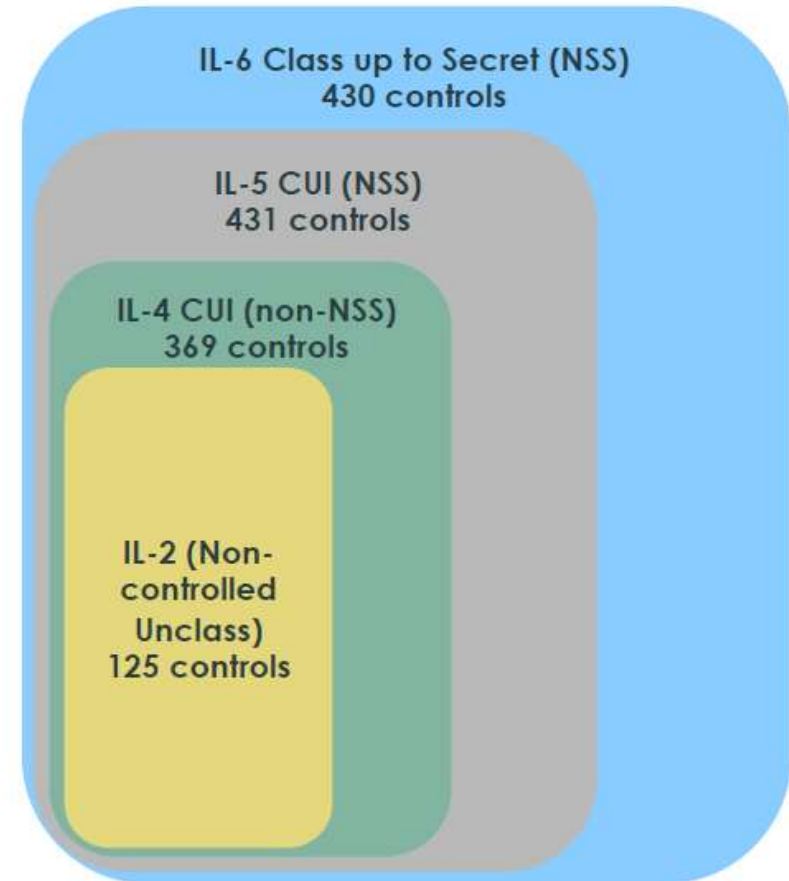

An assessment and authorization process which U.S. Federal agencies have been directed to employ to ensure security is in place when accessing cloud computing products and services.

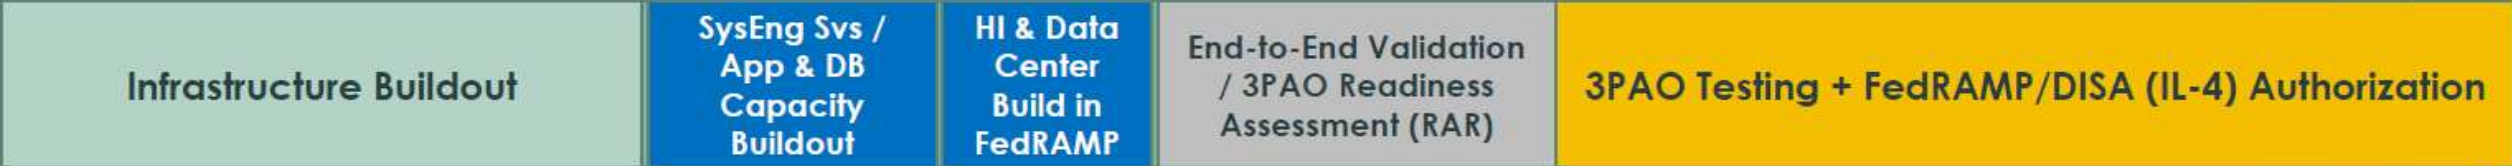

2 separate but similar authorizations —
1 ServiceNow Gov environment (GCC)

DoD Impact Levels

ServiceNow's FedRAMP High/DoD IL-4 Process

ServiceNow now listed as “*In Process*” on the FedRAMP’s website for FedRAMP High

<div><div>servicenow</div><div>ServiceNow Service Automation Government Cloud Suite</div></div>	SaaS	Moderate (High In Process)	<div><div></div><div>FedRAMP Authorized</div></div>	<div><div>36</div><div>Authorizations</div></div>
---	------	----------------------------	---	---
